## We Confess Anthology:

**We Confess** Hermann Sasse,1999 These essays define a Lutheran approach and understanding of the Gospel The book is divided into three sections previously published as separate volumes Section 1 includes essays on Jesus Christ the theology of the cross and church and confession Section 2 offers essays on the Sacraments Section 3 presents writings on the Church the Holy Spirit ministry last things and more

**An Uncompromising Gospel** Wade Johnston,Wade R Johnston,2017-01-05

Martin Luther with preached and written word unleashed the unconditional and uncompromising gospel of God s love for sinners in Jesus Christ crucified and risen He exposed both man s lost condition and Christ s unfathomable love with unrelenting persistence and unmistakable clarity Bound in sin only Christ could set the sinner free and Luther held Christ before his students hearers and readers That message marked and formed his students and coworkers and yet after his death bitter disputes broke out about some of the most central aspects of his theology Debates cut to the very heart of the Reformation and this while its future hung precariously in the balance An Uncompromising Gospel highlights Luther s key theological teachings details the controversies that broke out over them after his death and provides important lessons for our own day as Christians still struggle to grasp and hold forth the love of Christ for sinners dead in trespasses and sins As Lutheranism in specific and Christianity as a whole struggle to find and articulate their identity in challenging times yet once again An Uncompromising Gospel provides helpful reminders about what the chief task and message of the church are and ought to be as it presses forward in God s grace and with the good news of Christ Jesus
