**UNLOVE** AASHIMA BASSI,2020-06-01 We all happen to make decisions some of which our life depends on We tend to do the right things but also end up doing things we never want to We try to make things work for us but that is not what happens Such is the story of Ananya and Raghav a story of love hope pain and wrath Ananya is a fun loving girl but a perplexed one Moving to a new city made her a different person She gets really uncomfortable around new people which is contrary to her nature but things change when she meets Raghav Raghav is an extrovert a really confident bold person He is an amazing friend and cares a lot about the people he loves Unlove is the story of how two strangers meet become best friends and how their lives change with change in time and places They tend to fall in love and out of love but will they ever fall for each other Will they ever be able to find each other or drift apart forever
