We Shall Not Be Moved Tom Wooten, 2012-08-07 It was heartbreaking but we couldn't give up I just said Well I've got to get in and do it Phil Harris eight decade long resident of Hollygrove As floodwaters drained in the weeks following Hurricane Katrina New Orleans residents came to a difficult realization Their city was about to undertake the largest disaster recovery in American history yet they faced a profound leadership vacuum members of every tier of government from the municipal to the federal level had fallen down on the job *We Shall Not Be Moved* tells the absorbing story of the community leaders who stepped into this void to rebuild the city they loved From a Vietnamese Catholic priest who immediately knows when two of his six thousand parishioners go missing to a single mother from the Lower Ninth Ward who instructs the likes of Jimmy Carter and Brad Pitt these intrepid local organizers show that a city's fate rests on the backs of its citizens On their watch New Orleans neighborhoods become small governments These leaders organize their neighbors to ward off demolition threats write comprehensive recovery plans found community schools open volunteer centers raise funds to rebuild fire stations and libraries and convince tens of thousands of skeptical residents to return home Focusing on recovery efforts in five New Orleans neighborhoods Broadmoor Hollygrove Lakeview the Lower Ninth Ward and Village de l'Est Tom Wooten presents vivid narratives through the eyes and voices of residents rebuilding their homes telling a story of resilience as entertaining as it is instructive The unprecedented community mobilization underway in New Orleans is a silver lining of Hurricane Katrina's legacy By shedding light on this rebirth *We Shall Not Be Moved* shows how residents remarkably turned a profound national failure into a story of hope

**We Shall Not Be Moved** M. J. O'Brien, 2013-03-01 Winner of the 2014 Lillian Smith Book Award Once in a great while a photograph captures the essence of an era Three people one black and two white demonstrate for equality at a lunch counter while a horde of cigarette smoking hotshots pour catsup sugar and other condiments on the protesters heads and down their backs The image strikes a chord for all who lived through those turbulent times of a changing America The photograph which plays a central role in the book's perspectives from frontline participants caught a moment when the raw virulence of racism crashed against the defiance of visionaries It now shows up regularly in books magazines videos and museums that endeavor to explain America's largely nonviolent civil rights battles of the late 1950s and early 1960s Yet for all of the photograph's celebrated qualities the people in it and the events they inspired have only been sketched in civil rights histories It is not well known for instance that it was this event that sparked to life the civil rights movement in Jackson Mississippi in 1963 Sadly this same sit in and the protest events it inspired led to the assassination of Medgar Evers who was leading the charge in Jackson for the NAACP *We Shall Not Be*

Moved puts the Jackson Woolworth sit in into historical context Part multifaceted biography part well researched history this gripping narrative explores the hearts and minds of those participating in this harrowing sit in experience It was a demonstration without precedent in Mississippi one that set the stage for much that would follow in the changing dynamics of the state s racial politics particularly in its capital city
