We Speak Mike Baker, J. K. Jones, Jim Probst, 2015-06-05 As Christians we are all called to speak out in our workplaces our schools our neighborhoods Every believer has a faith testimony compelling us to be Christ's representatives This devotional style book along with its companion DVD is designed to be an encouragement and support as you identify and add your voice to the chorus

Faith Speaking Understanding Kevin J. Vanhoozer, 2014-09-19 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together

Insights on 1, 2 & 3 John, Jude Charles R. Swindoll, 2018-06-05 The four short letters of 1, 2, 3 John and Jude deliver powerful messages of correct living in a wrong world and are as relevant today as they were in the first century Written near the end of the John's life 1 John was meant to revive the faith love and hope of his readers and encourage them to renew an authentic contagious walk with Christ Like two siblings 2 and 3 John are letters with unique personalities but also some striking similarities each taking a unique approach to a single urgent message balance unconditional love with discerning truth Jude the brother of Jesus writes with a twofold purpose expose the false

teachers that had infiltrated the Christian community and encourage the believers to stand firm in the faith and fight for it. The 15 volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award winner Chuck Swindoll's 50 years of experience in studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse by verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. The Branch Exposition of the Bible, Volume 1 Michael A. Eaton, 2020-08-31. If you picture the Bible to be a mighty tree and every word a little branch, I have shaken every one of these branches because I wanted to know what it was and what it meant. MARTIN LUTHER: A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, *The Branch Exposition of the Bible* is a resource for preachers, scholars, and everyday Christians alike to help open God's word and shed its light into life, ministry, and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa, India, and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. With an Old Testament volume to follow, this exposition of the New Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.
