We, the Arcturians Betty Rice,Norma J. Milanovich,Cynthia Ploski,1990 The Arcturians speaking through Norma have sent Earthlings a gentle message regarding their purpose for

being here They claim they are here to assist Earth as it enters a New Age of spirituality They cannot interfere with the free will or decision making process of any Earthling but are here to educate and help raise the vibrations of all who choose to journey to the new dimension the Earth is entering *Songs Of The Arcturians* Patricia Pereira,2011-03-15 In 1987 medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications from the star Arcturus and was requested to begin a series of galactically inspired manuscripts The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well being of our planet and all creatures who live upon her Philosophical in cope the essays in these books provide pragmatic practical suggestions for emotional mental physical and spiritual transformation They remind us of our familial relationships to beings of light who inhabit the great star nations This book the first in a series of four provides practical suggestion to help us shift our emotional physical and spiritual states so that we can prepare to take our future place in the Universal Community Crossing the Mind and Galaxies Silvia Widmann,2024-01-31 In this book Silvia Widmann describes 10 years of spiritual journeys with her Arcturian star friends and gives a comprehensive description of her experiences that is intended to provide compassionate help in accepting new perspectives in order to see something that supposedly does not exist A caring Arcturian companion transmitted his knowledge telepathically to her and this led to insights that not only penetrate into the depths of the universe and those living there but also accompany the reader on the path into the depths of his own being The subjects dealt with in the individual chapters are concerned with humans with the earth itself and with the universe The aim is to encourage the human being as part of the larger picture to accept the earth and all of existence and realise it as intended by the soul for the incarnation on this unique planet And in this way make himself an active co creator of the great universal plan The Road to Ascension Janice M Mahloch,2021-01-19 The Arcturian Collective has provided the essential guide on how to fully participate in your own Ascension Process This group of light beings are in service to humanity s evolution and global shift In this book they present key concepts methods and the light activation vital to walking the road of ascension Many are being called to experience the ascension process which is the discovery of the multi dimensional self through the energy of light This part of yourself has been lying dormant waiting for you to answer the call of an ascending planet earth Learning to experience and care for this integral energy of light is necessary and rewarding Additionally managing your light within the human experience is critical to your balance and success By walking the road to ascension we partner with the earth to express fully our true purpose and consequently experience the light of unity consciousness This book is the result of a telepathic light connection designed to provide maximum amount of light energy to strengthen the remembrance of the multi dimensional self Words and phrases have been chosen by the collective for not only for their meaning but for their vibrational energy The Man who Took Trips Roy Ald,1971 When the author began the research for this book he was not prepared to believe Paul He thought of his subject as an entertaining and brilliant kook But as Paul reveals his strange and exotic story

the author realizes that he has met an extraordinary man that the X ian world Paul swears he was a part of has taken on the dimension of true reality Paul s affair with the beautiful X ian creature Alotha is a deeply moving one that develops into a relationship of incomparable tenderness Paul s other worldly experiences are cataclysmic he manages to keep his sanity through psychological tremors that would have sunk any other man However much more is at stake here than a trip into outer space In many ways Paul s highly readable fantastic adventure story is a philosophical document that confronts some of the key dilemmas of our time As we look at the advanced civilization of the X ians we learn the truth about our human nature we see man as an animal that builds civilizations and destroys them and we are fnally given a special insight into the current lamentable human condition dust jacket *Encounters With an Arcturian Star Being* Beverley Steer M a,2023-05-23 This amazing testimony recounts the true experiences of visitations from a Star Being It all started with three blue glows which eventually merged together to become an out of this world being The being spoke telepathically saying they came with peace and love After several more visitations the Arcturian appeared several times in our Trance group to the astonishment of everyone The book describes others that inhabit our world such as angels archangels spirit energy and alien beings that are around us It teaches us how to open our eyes to discovering where we come from How many people today are confused with their origins and is it because they are Starseeds from other planets or dimensions This book beckons those who are willing to engage in the belief that we are not alone but that there are many from the star galaxies and the spirit world who watch over us and wish to help us without interfering in our lives
