What's Up With Women and Money? Alison Kosik, 2025-03-04 Former CNN CNN International Anchor and Business Correspondent Alison Kosik recognized around the globe as the face of Wall Street for the network found herself trapped in a failing marriage The savvy mother of two was terrified to leave her husband Why She didn t have the confidence to take on big financial decisions on her own Despite spending her working hours explaining financial and business concepts she had allowed her husband to take charge of all their big money decisions from buying a house and how to finance it to their investments and retirement savings and had no clue how to do any of it on her own It sounds crazy doesn t it But Alison

is far from atypical. It turns out plenty of educated and high achieving women married or single avoid getting involved with managing their financial lives. In *What's Up With Women and Money* Alison gives a step by step action plan on a variety of money topics. Alison also interviews dozens of women who share their cautionary tales of why avoiding money decisions can lead to bad outcomes. Alison also talks one on one with inspirational women like Sheryl Sandberg, Rebecca Minkoff, Jessica Alba, Barbara Corcoran and Deepica Mutyala, women who inspire other women and help them gain confidence to take control of their financial lives. Alison simplifies complicated financial topics of investing, car buying and paying down debt, breaking them down into easy to follow steps with practical tidbits that make each page accessible, digestible and fun. By the end of *What's Up With Women and Money*, women will not only feel empowered and confident about their finances but they will also feel ready to take action after being motivated without judgment.

Think and Grow Rich for Women Sharon Lechter, 2014-06-17. Women are the future of American business. According to a recent Nielsen report, women will control two thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men, dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a powerful new book from the award winning author of *Think and Grow Rich*, *Three Feet from Gold*, and coauthor of the multimillion selling *Rich Dad Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleezza Rice, J.K. Rowling, Barbara De Angelis, Marianne Williamson, Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more, outlining a master plan for success for all women.
