Weathercraft Jim Woodring, 2010-06-08 For over 20 years now Jim Woodring has delighted touched and puzzled readers around the world with his lush wordless tales of Frank Weathercraft is Woodring's first full length graphic novel set in this world indeed Woodring's first graphic novel period and it features the same hypnotically gorgeous linework and mystical iconography As it happens Frank has only a brief supporting appearance in Weathercraft which actually stars Manhog Woodring's pathetic brutish everyman or everyhog who had previously made several appearances in Frank stories as well as a stunning solo turn in the short story Gentlemanhog After enduring 32 pages of almost incomprehensible suffering Manhog embarks upon a transformative journey and attains enlightenment He wants to go to celestial realms but instead altruistically returns to the unifactor to undo a wrong he has inadvertently brought about The transformation of the evil politician Whim into a mind destroying plant demon who distorts and enslaves Frank and his friends The new and metaphysically expanded Manhog sets out for a final battle with Whim Weathercraft also co stars Frank's cast of beloved supporting characters including Frank's Faux Pa and the diminutive mailbox like Pupshaw and Pushpaw it is both a fully independent story that is a great introduction to Woodring's world and a sublime addition to and extension of the Frank stories
