Autobiography of an Unknown Football Player Proverb G. Jacobs Jr.,2014-01-16 This book is a chronology of my life It tells the story of a young Negro boy weaving his way through a hostile alien world almost alone Mama went to one of my football games at U C Berkeley She didn t know anything about football but she knew her son was on the field and she knew he was in college Her support through the years helped me navigate the difficult times I grew up in This book will take you on a journey through those years spiced with details about the worlds of college and professional football and of track and field as well as original reports of the events happening in the wider world *Journal of the Assembly, Legislature of the*

and Hungarian crises of 1956 into a single story of Cold War conflict as no one has before Publishers Weekly The year 1956 was a turning point in history Over sixteen extraordinary days in October and November the Suez Crisis and the Hungarian Revolution pushed the world to the brink of a nuclear conflict and what many at the time were calling World War III *Blood and Sand* relates this story hour by hour through an international cast of characters Anthony Eden the British prime minister caught in a trap of his own making Gamal Abdel Nasser the bold young populist leader of Egypt David Ben Gurion the strong willed founding prime minister of Israel Guy Mollet the bellicose French prime minister and Dwight D Eisenhower the American president torn between an old world order and a new one in the very same week that his own fate as president was to be decided by the American people This is a fresh new account of these dramatic events and people one that for the first time sets both crises in the context of the global Cold War the Arab Israeli conflict and the treacherous power politics of imperialism and oil *Blood and Sand* resonates strikingly with the problems of oil control religious fundamentalism and international unity that face the world today and is essential reading for anyone concerned with the state of the modern Middle East and Europe This thrilling ticktock brings the emotional core of geopolitical maneuvering into dramatic focus with portraits of leaders variously honorable pigheaded irresolute pusillanimous and susceptible to mood swings The New Yorker
