

Testing program to sample student skills

The Wood County Board of Education is sponsoring a statewide testing program to sample student skills in mathematics, science, and social studies. The program is part of a larger effort to improve the quality of education in the state.

The testing program will be conducted in the fall of 1978. It will involve students in grades 4, 8, and 12. The tests will be administered by trained personnel and the results will be used to identify areas where students are having difficulty and to develop strategies to help them.

The board of education is committed to providing the best possible education for all students in Wood County. This testing program is a key part of that commitment.
