motherless pensive child in the wild he began writing poems long before quitting the countryside for Santiago where he
spent his bohemian student years From there his memoir follows his travels as a globetrotting Chilean consul including a

assassinate Leon Trotsky and his short lived service as a Chilean senator Neruda a communist was driven from his senate
seat in 1948 and a warrant was issued for his arrest After a year in hiding he escaped on horseback over the Andes then to
Europe and Asia The memoirs conclude shortly after the coup in 1972 that overthrew his close friend Salvador Allende Chile
s first democratically elected president as Neruda himself battled cancer Now expanded to include newly discovered material
