*Welcome Them Home, Help Them Heal* John Sippola, Amy Blumenshine, Donald A. Tubesing, Valerie Yancey, 2009 No two veterans have the same war experience nor upon returning from war do they face exactly the same reintegration challenges Likewise veterans heal and recover in their own ways and along their own timelines The War Stole My Soul with Post-Traumatic Stress Disorder (PTSD): What Now? C. Diane Mosby, 2018-01-25 When Reverend Mosby's son went to war she like so many other mothers prayed for his safe return Her prayers were answered He came home alive and whole Or so she thought The War Stole My Soul with Post Traumatic Stress Disorder PTSD What Now is the result of a mother's mission to restore her son's faith in God and encourage his desire to live In her quest to save her son from his despair Reverend Mosby came to understand the debilitating effects of PTSD on the souls of veterans She found there were no government resources to heal their broken spirits Few church communities had either the knowledge of PTSD and its symptoms or the means to support its victims Reverend Mosby set out to educate those who could help those who suffer She created a training program to raise awareness of PTSD among church leaders Encouraged by the program's success Reverend Mosby began speaking to church groups veterans organizations corporations and at conferences And now through this book she is expanding her reach so that no veterans and their caregivers will ever have to say The War Stole My Soul with Post Traumatic Stress Disorder PTSD What Now **Healing War Trauma** Raymond Monsour Scurfield, Katherine Theresa Platoni, 2013-02-11 Healing War Trauma details a broad range of exciting approaches for healing from the trauma of war The techniques described in each chapter are designed to complement and supplement cognitive behavioral treatment protocols and ultimately to help clinicians transcend the limits of those protocols For those veterans who do not respond productively to or who have simply little interest in office based regimented and symptom focused treatments the innovative approaches laid out in Healing War Trauma will inspire and inform both clinicians and veterans as they chart new paths to healing Re-embodiment Pastoral Theology Johann Choi, 2024-05-29 With the dominance of psychotherapeutic theories and methods in the field of pastoral theology the typical pastoral encounter has been understood to be a private conference in which a pastor addresses a sufferer's thoughts and emotions What results is a kind of dualism that is contrary to a historically Christian affirmation of and concern for the body The phenomenon of moral injury further problematizes this model of pastoral care in part due to a greater awareness that trauma is imprinted as much in the body as in the mind Re-embodiment Pastoral Theology uses the problem of moral injury in veterans to propose a pastoral theology that recognizes ritual as the means by which the Christian community addresses the body in pastoral care In advancing this new approach to ritual care the author draws from the fields of psychology ritual studies liturgical studies and historical theology as well as the experiences of veterans throughout history This book endeavors to re-think the Christian approach to moral injury and re-embodiment the field of pastoral theology **Foundations of Maternal-Newborn and Women's Health Nursing - E-Book**
