Welcome

Hello! Welcome to Kindergarten!! I am so excited to be your child's teacher this year. This school year will be filled with FUN, LOADS of discovery, LOTS of learning, and new adventures! There are many "firsts" that happen in Kindergarten, and I am thrilled to be a part of them. I am looking forward to partnering with you this school year and instilling a LOVE for learning in your child. I have recorded (with my voice) a fun story for your child to watch and listen to on this QR code: (You can use your phone camera to access it.)

Reaching Out Diane W. Kyle, Ellen McIntyre, Karen B. Miller, Gayle H. Moore, 2002-07-19 The timing for Reaching Out could not have been better. Just when educators are beginning to realize that teachers need training in how to work with parents Kyle McIntyre Miller and Moore bring us a book that is a welcome breath of fresh air. Patricia A. Edwards Professor of Language and Literacy Michigan State University Reaching Out describes a great variety of ways to respectfully and productively engage families in helping their children learn and grow. Throughout the text the reader is reminded that

parents are experts about their children and that trusting relationships are built on respectful two way communications The authors also remind us that the goal of family involvement is not parent participation at school events and activities but improved student achievement Steve McCafferty Principal Mildred Dean School Newport KY Involve families in the education process and enhance your students learning experience Too often today s student feels alienated from school and learning suffers as a result Developing a relationship with the family can provide the missing link in the educational chain Reaching Out is an invaluable resource for compassionate educators interested in building strong relationships with their students families A dynamic team of teachers and teacher educators have combined their first hand experience and in depth research in this essential guidebook By involving the entire family in the educational experience teachers can bridge the gap separating home and school and help produce happier healthier and smarter kids Highlights include Building trust with families Communicating in positive ways with students families Implementing family workshops Involving families through innovative homework ideas Based on a five year study the information will be particularly helpful for teachers whose classrooms reflect a diverse student population By incorporating these concepts and techniques you not only enhance the learning experience you also help your students to be more compassionate and excited about school [MACLAS Newsletter](#) Middle Atlantic Council of Latin American Studies,1991

Literacy Essentials Regie Routman,2023-10-10 In her practical and inspirational book Literacy Essentials Engagement Excellence and Equity for All Learners author Regie Routman guides K 12 teachers to create a trusting intellectual and equitable classroom culture that allows all learners to thrive as self directed readers writers thinkers and responsible citizens Over the course of three sections Routman provides numerous Take Action ideas for implementing authentic and responsive teaching assessing and learning This book poses a key question How do we rise to the challenge of providing an engaging excellent equitable education for all learners including those from high poverty and underserved schools Teaching for Engagement Many high performing schools are characterized by a thriving school culture built on a network of authentic communication Teachers can strengthen classroom engagement by building a trusting and welcoming environment where all students can have a safe and collaborative space to grow and develop Pursuing Excellence Routman identifies 10 key factors that describe an excellent teacher ranging from intellectual curiosity to creativity and explains how carrying yourself as a role model contributes to an inclusive caring empathic and fair classroom She also stresses the importance for school leaders to make job embedded professional development a top priority Dismantling Unequal Education The huge gap in the quality of education in high vs low income communities is the civil rights issue of the 21st century according to Routman She spells out specific actions educators can take to create more equitable schools and classrooms such as diversifying texts used in curriculums and ensuring all students have access to opportunities to discuss reflect and engage with important ideas From the author I wrote Literacy Essentials because I saw a need to simplify teaching raise expectations and make expert teaching possible for all of us I saw a need to emphasize how a school

culture of kindness trust respect and curiosity is essential to any lasting achievement I saw a need to demonstrate and discuss how and why the beliefs actions knowledge we hold determine the potential for many of our students Equal opportunity to learn depends on a culture of engagement and equity which under lies a relentless pursuit of excellence
