Welcome To The Rollercoaster:

Welcome to the Rollercoaster D. D. Foster, 2014-12-14 Welcome to the Roller Coaster was written by fourteen foster moms who have fostered a combined total of over one hundred thirty five children They have come together to share their personal stories in order to provide a glimpse into the real world of foster care Though many of their journeys have been difficult these ladies will inspire you with their stories of love loss and healing Little Oakley Primary School Trilogy Book 1: Welcome to Little Oakley Rob Worthing, Welcome to Little Oakley Primary School a microcosm of the joyous chaos that is primary education This isn't a story about perfectly behaved children and flawlessly executed lesson plans it's a celebration of the messy unpredictable and ultimately heartwarming reality of teaching and learning Meet Emily Bramble our protagonist a newly qualified teacher brimming with idealism and armed with a suitcase full of carefully crafted lesson plans She quickly discovers that the reality of teaching is far more entertaining and challenging than anything she could have anticipated The hallways of Little Oakley are populated with an eclectic cast of characters a perpetually lost headteacher a perpetually tired art teacher and a bevy of students whose creativity often outstrips their classroom decorum The school itself is a character in its own right its brightly colored walls have witnessed countless sticky situations tearful reconciliations and whispered secrets The book explores the delightful complexities of primary school life from the challenges of managing twenty five six year olds to the sheer joy of witnessing a child's aha moment The characters are flawed eccentric and absolutely endearing mirroring the spectrum of personalities found in any primary school both staff and pupils It's a story about finding joy amidst the chaos building connections amidst the pandemonium and discovering that even a runaway hamster or a glue related incident can teach us valuable lessons about life resilience and the unbreakable bond between teacher and pupil This isn't just a funny story about teachers it's a heartfelt tribute to the dedication patience and pure comedic genius of everyone involved in the world of primary education Whether you're a seasoned educator a nostalgic parent or simply someone who appreciates a good laugh prepare yourself for a wild ride through the hallways of Little Oakley Prepare for laughter heartwarming moments and the undeniable charm of slightly sticky classroom scenarios This is only the first of many adventures at Little Oakley the stage is set the players are ready and the potential for further mishaps is enormous
