Amazon Netflix Prices:

Business Continuity and the Pandemic Threat - Learning from COVID-19 while preparing for the next pandemic Robert Clark,2022-07-26 The book looks at case studies reviewing how different industries have been impacted by the pandemic with the author also reflecting on his own personal experience It also discusses the ways the virus has affected our economy and daily routines and the psychological impact

Business Model Innovation Allan Afuah,2014-03-26 Rooted in strategic

management research Business Model Innovation explores the concepts tools and techniques that enable organizations to gain and or maintain a competitive advantage in the face of technological innovation globalization and an increasingly knowledge intensive economy The book investigates how organizations can use innovations in business models to take advantage of entrepreneurial opportunities from Crowdsourcing and open innovation Long Tails Social media Disruptive technologies Less is more innovations Network effects Scarcity of complementary capabilities The book also looks at the ways firms can use innovations in business models to exploit or defend against threats With twelve supplementary cases to help readers apply the concepts and techniques this book is a must have for anyone looking to understand the fundamentals of business model innovation

Purpose-Driven Pricing Saloni Firasta-Vastani,Jagdish N. Sheth,2024-07-29 Pricing is

frequently used as a key strategic lever for management to increase profitability However price can also be used as a lever for societal good This book demonstrates how effective use of price can have positive societal impacts such as helping to reduce carbon emissions accelerating the adoption of eco friendly products and improving people s health outcomes and quality of life This book written by two leading thinkers on pricing strategy and practice makes the important link between the ideals of purpose in organizations and the crucial tools of how to implement change using one of the fundamental levers at the disposal of the organization It introduces the concept of leveraging the power of pricing for both profit and societal good and then clearly explains how it can be done Price can be used to manage demand incentivize consumer behavior and influence change The impact can be effective and quick and it is not far fetched to say that pro social pricing can be utilized to preserve the environment educate citizens promote arts alleviate poverty and improve health The book outlines how corporations governments civil society organizations and collaborators can use pricing power to manage the adoption of products and services across B2B and B2C Pricing strategies include innovating unbundling unpackaging collaborating implementing new monetization models and applying learnings from behavioral pricing Executives of corporate and business strategy and those dealing with brand portfolios sustainability social and health equity will find profound insights in this book It will also be valuable in executive training and for graduate students

The Strategy and Tactics of Pricing Thomas T.

Nagle,Georg Müller,Evert Gruyaert,2023-07-31 The Strategy and Tactics of Pricing is the most well established and influential strategic pricing text available relied on by practitioners and students globally as a core guide for value based pricing The book explains how to balance the ability to create and extract value through from markets by managing pricing

decisions in a more strategic and profitable manner. Rather than calculating prices to cover costs or to achieve sales goals readers will learn to frame more strategic choices that proactively influence customer perceptions of value manage internal costs and profitably shift demand curves. This edition features new discussions on harnessing concepts from behavioral economics as well as a refined value cascade to help organize the topics covered in this book. Readers will also benefit from Major revisions to more than a third of the chapters including an expanded discussion of the role of artificial intelligence and machine learning analytics tools to assist in the evaluation of new pricing opportunities. Discussion of many of the new pricing and revenue recognition models such as consumption based pricing outcomes based pricing and others. An expanded discussion on Special Topics in Pricing that cover many of the transformative pricing moves successful companies have made in the past few years in response to major disruptive forces such as the pandemic as well as re emergent inflation. In chapter textboxes and call out to highlight different pricing concepts in action using actual examples of companies addressing market challenges. Chapter summaries and visual aids to help the reader better understand the ideas and concepts presented throughout this book. This comprehensive managerially focused text is a must read for students and professionals with an interest in strategic price management and achieving commercial excellence for their organizations. Additional online resources include PowerPoint slides and an instructor's manual including exercises mini cases and examination questions.

The Business of Media Distribution Jeff Ulin, 2013-10-15 First published in 2013 Routledge is an imprint of Taylor Francis an informa company *At a Tipping Point* United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2015

Business 2.0, 2005 Is Netflix's New Pricing Strategy to Compete with Disney, Amazon, and HBO.

Baranidharan Subburayan, 2023 On February 22 2023 Netflix announced a new pricing strategy that will significantly cut subscription prices in over 100 countries. The move is an attempt to stay competitive in the increasingly crowded streaming market where rivals such as Disney Amazon Prime Video and HBO Max are gaining ground. In this blog we will explore this new pricing strategy and what it means for both Netflix and its customers
