Couponing for the Rest of Us Kasey Knight Trenum, 2013-05-01 Not everyone is an extreme couponer. Most of us just want to save some money, not let clipping coupons and scouring the internet for deals take over our lives. For all the savvy shoppers out there, Kasey Knight Trenum has written *Couponing for the Rest of Us*. She knows that money is tight, food prices are going up, gas prices are closing in on unbearable, and people have better things to do than spend every spare minute if they have any. Obsessing over costs and coupons. She also knows coupons just happen to be a tool that can save a family hundreds of dollars every month and ultimately improve a family's finances and its future. *Couponing for the Rest of Us* shows readers where to find coupons for what your family eats, how to make the internet do the work for you, how to find sale cycles and store match ups, and what those terms mean, how to reinvent your shopping strategy and toss your lists, how to make grocery shopping less stressful, even fun, how to turn money saved into money shared, and much more. If readers want to save money and time, this book is a gold mine.

What to Wear for the Rest of Your Life Kim Johnson Gross, 2010-05-03 In *What to Wear for the Rest of Your Life*, Gross helps us reconsider our closet identity and discover who we want to be. Every woman's closet, no matter the size, is a room of her own. In that space, hang side by side the special occasions and the everyday, the triumphs and the disasters, the memories we want to keep and those we should jettison. She shares her personal journey and the intimate, poignant, and often humorous stories of the dozens of women she's interviewed across the country. Along with calming fashion advice about how to choose flattering clothes that will fit any woman's shape and style, Gross's engaging stories will help every woman evolve gracefully from wife to mother, from empty nester to globe trotting adventurer, whatever role she chooses, while letting her style express her inner beauty.
