**intimate viewing** Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0  
University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life I Curse You With Joy Tiffany Haddish,2024-05-07 A journey of self discovery and celebration from the comedian actress and New York Times bestselling author of The Last Black Unicorn People Since the publication of her bestselling debut The Last Black Unicorn Tiffany Haddish has catapulted to A list fame as the breakout star of Girls Trip She s walked the Oscars red carpet released a hit stand up special with Netflix and made history as the first Black female comedian to host Saturday Night Live and Shark Week But it hasn t been all VIP parties and free diving with apex predators In these humorous and heartfelt essays Tiffany gets real about the highs and lows of life Believe it or not there was a time when Tiffany didn t totally know who Tiffany was Before she found her groove she was on stage dressed like her snobby airline coworkers telling halfhearted dick jokes She tanked It took a fake penis some help from friends and a little encouragement from Bob Saget but eventually Tiffany figured out Tiffany I Curse You with Joy celebrates all the lessons she learned along the way the joy and the pain Tiffany reckons with the legacy of her childhood trauma the challenges of being a Black woman in the entertainment industry and her bittersweet

reunion with her estranged father after twenty years apart Don't worry she's got plenty of advice to share too I Curse You with Joy is Tiffany Haddish unfiltered We know what you're thinking how much more unfiltered can she get These essays lay it all bare bringing readers into Tiffany's inner circle where joy honesty humor and heart are the order of the day **Two Loves** Martha Karpoff, 2023-08-17 About the Book Karri Moody author of Park Hae Jin Does the Kama Sutra or The Sweetest Story Ever Told her husband Mitchell Moody and Park Hae Jin K drama star are taken to a hill to be executed but are saved by Karri's quick thinking Eight people are killed that night Karri Mit and Hae Jin are forced to become their own detectives models planners TV stars nurses imposters comedians and friends Lions Yale baseball magic elixirs Netflix bravery and inventiveness all come into play as Karri Hae Jin and Mit use sex to clarify the future Love is the only answer About the Author Martha Karpoff worked in Southeast Asia including the Philippines Indonesia and Malaysia for seven years during the 1980's Upon returning to the United States she became a grant writer for three New Mexico Native American tribes Her proposals were awarded several million dollars for these tribes Married to a professional facilitator she herself has some background in facilitation During the pandemic Karpoff watched many K dramas and especially liked those with Park Hae Jin She wanted to write a book that went against the stereotype of an older man younger woman love story Who better to be the younger man than Mr Park She wanted to make those older women smile Karpoff has a degree in mathematics which makes her detail oriented She likes baseball which she played on the schoolyard Karpoff has been through a revolution in the Philippines blockades in Manila and Cebu and traveling on convoys in Bosnia **Nonfiction Filmmaking for the Screen** Charles Dye, 2023-11-15 Combining essays and interviews with nonfiction filmmakers this collection explores the business side of nonfiction media creation for film and television Over 30 industry professionals dispel myths about the industry and provide practical advice on topics such as how to break into the field how to develop nurture and navigate business relationships and how to do creative work under pressure Readers will also learn about the entrepreneurial expectations in relation to marketing strategies for contending with the emotional highs and lows of creating nonfiction media and money management whilst pursuing a career in creating nonfiction media Written for undergraduates and graduates studying filmmaking media production and documentary filmmaking as well as aspiring nonfiction media creators and documentary filmmakers this book provides readers with a wealth of first hand information that will help them create their own opportunities and pursue a career in nonfiction film and television Roger Ebert's Movie Yearbook 2012 Roger Ebert, 2011-12-06 Ebert collects his reviews from the last 30 months Readers can expect to find every movie review he has written from January 2009 to July 2011 Also included are in depth interviews with newsmakers and celebrities such as John Waters and Justin Timberlake memorial tributes and essays on the Oscars and reports from the Cannes and Toronto Film Festivals **Popular Culture in South Asian Context** Akshaya Kumar, Raj Thakur, 2025-11-10 The volume examines popular sensibilities via textual visual performative spatial digital frames of inquiry and critical social political issues in South

Asia It highlights the interface between cultural studies and its popular political standpoints and interrogates the kaleidoscope of popular imaginary as well as its conceptual problematics through distinct case studies from the region It leads learners towards the unfounded territories of popular culture studies in South Asia With chapters by major scholars in the field the book uses theoretically comprehensive and empirically varied case studies to re evaluate the central questions of epistemology methodology and approaches to popular culture studies from non Western cultures perspectives Lucid accessible and nuanced the chapters in the volume will be an invaluable reference source for scholars researchers and students in the humanities liberal arts cultural studies and South Asian studies **Business Week** ,2003 **How to Think**

**about Data Science** Diego Miranda-Saavedra,2022-12-23 This book is a timely and critical introduction for those interested in what data science is and isn't and how it should be applied The language is conversational and the content is accessible for readers without a quantitative or computational background but at the same time it is also a practical overview of the field for the more technical readers The overarching goal is to demystify the field and teach the reader how to develop an analytical mindset instead of following recipes The book takes the scientist's approach of focusing on asking the right question at every step as this is the single most important factor contributing to the success of a data science project Upon finishing this book the reader should be asking more questions than I have answered This book is therefore a practising scientist's approach to explaining data science through questions and examples *The Little Vintage Carousel by the Sea* Jaimie Admans,2019-04-03 What if one moment could change your life forever Ness has almost resigned herself to being single forever when she catches sight of the most gorgeous man she's ever seen on the train to work Screen Digest ,2005
