The background of the book cover is a detailed fantasy illustration. In the center, a woman with long dark hair and a crown, wearing ornate silver and red armor, stands with her hands on her hips. To her right, a man with long brown hair and a beard, wearing a dark cloak with a fur collar, stands looking off to the side. Behind them are two large, golden-brown dragons with long tails. In the distance, a city with tall, thin spires is visible under a sky filled with warm, golden light from a rising or setting sun. The overall atmosphere is epic and romantic.

But when she sees the village blacksmith fight invaders with unspeakable skill, she decides to accept his offer of help. Too bad he's as skilled at annoying her as he is at fighting. As she searches for answers, Kai only finds more questions, especially regarding the blacksmith who can ignite her body like a flame then douse it with ice in the next breath.
