## We Bombed In New Haven:

We Bombed in New Haven Joseph Heller,1968 The play is heavily metatheatrical being not only staged at but also set at the Ambassador Theatre the actors playing actors appearing in a play at the Ambassador This play within a play concerns a strategic bombing squadron the squadron commander frequently steps out of character to reassure the audience that they are only watching a play This conceit is carried to the point where the actors themselves exhibit confusion over whether they really are actors playing airmen or actual airmen For instance in the second act Henderson played by Ron Leibman is scheduled to be killed he knows this being familiar with the script and is not worried but then later a corporal is killed on a mission and Henderson is unable to find him offstage Henderson worries that the corporal really has been killed and that perhaps the play is reality We Bombed in New Haven Joseph Heller,1969 We Bombed in New Haven Joseph
