Commission OKs Site Plans; Hearings Set

By LYNN McDERMOTT

The Planning and Zoning Commission approved plans May 3 for two office buildings, one two story for Phase I and five story for Phase II of the PD-400 McCord site on Loop 620 at Laton. The vote was five for approval by Thomas Holmes, Joe Strickland, Don Corneak, Bruce Martin and Yvonne Smith. The only abstentions by Don Scanlan, Beverly Van Sledra, Barbara Hopkins and Charles Jacobson.

The recommendation to approve was made following the joint public hearing before City Council and P &

Z May 3. The report on the action to City Council will include a minority report.

Conditions were added to the project for an extension of the required eight-foot masonry retaining wall along the north side of the site to the end of the parking area, requiring an eight-foot wall along the east, or rear side of the site between the parking garage and the property line; that the developer pay for all cost in connection with the required access, circulation, and servicing street; that Laton Street be screened on its north side to prohibit any

pedestrian access to the site from Laton; and that the project comply with all requirements of the zoning ordinance.

The P and Z minority objected to the motion to approve based on their view that a total Comprehensive Plan should first be completed with providing any specific areas and retaining a question of "spot zoning." The majority overruled since the Comprehensive Plan is under way and because most grounds that should be considered due to the nine-month delay caused the developer.

The public hearing drew over 250 people and lasted three and one-half hours. Those opposing against the project cited the lack of coordination of the development with surrounding areas, no orderly transition from the Loop to the residential areas; inadequate water, sewer and trash facilities; and environmental impact and energy conservation measures.

Those who favored the proposed action in the authority of the existing zoning ordinance, optimism

Board Members' Resignation Asked As Petitions Accepted

By JOHN HARRIS

Commission members Bar Shoben and Dennis Scanlan, saying that "confidence in a two-way street."

"I have been told this is a challenge we could not win," Councilman Jack Gurnell said in responding to the motion. "Ignore them and they would still presentation of the long-awaited and long-delayed Comprehensive Zoning Plan under preparation by the Planning and Zoning Commission for reviewing our zoning code, or have them to resign and have their own code and public opinion would sweep us aside."

Gurnell cited "stalling" by

P and Z over the Plan, however, the board members "determined to return to the stagnation, no-progress movement of the 1960s that was repeated by the community during study and final adoption of the 1972 Zoning Code. The shaver P and Z members, Gurnell said, have used stalling as a tool to prolong the agonies of the present situation, to gain additional points, and to delay presentation of a comprehensive plan to council and the people of Bellaire before the next election."

"Thus I don't like it when three members of P and Z sign positions to throw me out of office after successfully preventing me to consider suggested changes in zoning that affect this community tremendously," he said.

The motion was passed to instruct the city attorney to prepare an ordinance asking their resignation for the May 18 meeting. Opposed were Council members Louise Ware, Bud Barth, which and David Dewhirst.

"We appointed those people on the basis that they'd speak for themselves," Dewhirst said. "We've never tried to influence their direction or their vote."

Besides the commission members, others included in the resignation move are R.A. Bartch Jr. and C.

Construction Main Goal Of New Hospital Chief

Bob Beare sees three main goals in his new job as Baylor General Hospital's administrator: construction, renovation, and maintenance of the "good ones" the hospital has provided in the past.

All five years there is work in hospital, Beare said, and at 41 he brings to Bellaire over 21 years experience in the hospital field. His last job with Westgate Hospital

and Medical Center in Denton saw Beare involved with planning, development, construction and opening of the hospital, similar to his current task at Bellaire General.

Bellaire then, Beare was employed in administrative departments for several hospitals including Nashville and Knoxville, Tenn., as well as becoming regional director for Humana Inc. Beare was responsible for the

operation of eight hospitals for Humana, including facilities in Baytown, Dallas, Brya, El Paso, Arlington, Center, Houston, Kaufman, Andrews and New Boston. Beare also ran 10 nursing homes, and his early hospital career featured experience at Southwestern Hospital and Clinic in Pasadena, Hermann Hospital, and Brookridge Hospital in Austin.

Beare replaces Bob Stephenson, former adminis-

trator who, according to hospital spokesmen resigned for "personal reasons." Monterey Life Systems is owner of the hospital.

Beare spending up construction of new hospital facilities, Beare said the maintenance of good care is evidenced by the hospital accreditation by the Joint Commission on Accreditation of Hospitals (JCAH). Bellaire General is now one of 4,800 to be

recognized, out of the approximately 9,100 hospitals nationwide. The accreditation covers from January 1977 to January 1978 and is the result of an on-site survey made by JCAH field representatives.

Other main thrusts of Beare's new position are the development of housing for a new professional building, to be completed by March
