**All Things Must Pass Away** Kenneth Womack, Jason Kruppa, 2022-11-01 Womack and Kruppa present a thorough history of Harrison and Clapton's songmaking and recording sessions. Booklist Newly revised and expanded this paperback edition features exclusive material from the Malcolm Frederick Evans archives and draws on rare material released by the Harrison Estate. A new appendix includes a detailed sessionography and personnel listings for *All Things Must Pass* assembled from recently discovered documentation. George Harrison and Eric Clapton embarked upon a singular personal and creative friendship that impacted rock's unfolding future in resounding and far-reaching ways. *All Things Must Pass Away* Harrison Clapton and Other Assorted Love Songs traces the emergence of their relationship from 1968 through the early 1970s and the making of their career-defining albums both released in November 1970. Authors Womack and Kruppa devote close attention to the climax of Harrison and Clapton's shared musicianship: the creation of *All Things Must Pass*. Harrison's powerful emancipatory statement in the wake of the Beatles and Layla and Other Assorted Love Songs Clapton's impassioned reimagining of his art via Derek and the Dominos two records that advanced rock n roll from a windswept 1960s idealism into the wild and expansive new reality of the 1970s. *All Things Must Pass Away* reveals the foundations of Harrison and Clapton's friendship focusing on the ways their encouragement and support of each other drove them to produce works that would cast long shadows over the evolving world of rock music.

*César Chavez, the Catholic Bishops, and the Farmworkers' Struggle for Social Justice* Marco G. Prouty, 2008-09-01 Available in paperback September 2008. César Chavez and the farmworkers struggle for justice polarized the Catholic community in California's Central Valley during the 1965-1970 Delano Grape Strike. Because most farmworkers and landowners were Catholic, the American Catholic Church was placed in the challenging position of choosing sides in an intrafaith conflict. Twice Chavez petitioned the Catholic Church for help. Finally in 1969 the American Catholic hierarchy responded by creating the Bishops Ad Hoc Committee on Farm Labor. This committee of five bishops and two priests traveled California's Central Valley and mediated a settlement in the five-year conflict. Within months a new and more difficult struggle began in California's lettuce fields. This time the Catholic Church drew on its long-standing tradition of social teaching and shifted its policy from neutrality to outright support for Chavez and his union, the United Farmworkers UFW. The Bishops Committee became so instrumental in the UFW's success that Chavez declared its intervention the single most important thing that has helped us. Drawing upon rich untapped archival sources at the United States Conference of Catholic Bishops, Marco Prouty exposes the American Catholic hierarchy's internal and often confidential deliberations during the California farm labor crisis of the 1960s and 1970s. He traces the Church's gradual transition from reluctant mediator to outright supporter of Chavez, providing an intimate view of the Church's decision-making process and Chavez's

steadfast struggle to win rights for farmworkers This lucid solidly researched text will be an invaluable addition to the fields of labor history social justice ethnic studies and religious history     Hospital Employees' Division of Local 79, Service Employees' international Union, AFL-CIO v.
