

Water Corporation Submits 267 Memberships To Engineer

The Murren Water Supply Corporation submitted a list of 267 paid memberships in the organization to the engineering firm of Waters & Decker this week, according to County Judge Dudley Fincher.

The list is by no means final, said Fincher, who admits that he is unable to get an estimate on the ultimate number of members expected by the co-op.

"We still don't know which way the City of Murren is going

to turn," explained Fincher, "although it now looks as if they intend to upgrade their present system and progress on their own. However, Murren isn't the only reason that we can't make an estimate," Fincher continued. "There are many others who have expressed a definite interest and verbally committed themselves. We are still working the Brockmeade area as well as several other areas

outside the county."

According to the judge, the majority of the 267 members now listed are Shackleford County residents, but it also includes parties from Eastland, Callahan, Stephens and Throckmorton Counties. "We have from 40 to 50 members from the west side of Shackleford County," said Fincher, "and we feel that this area could mushroom into something big. These people were not able to obtain water from the Shackleford County Rural Water Supply Corporation several years ago. It was not economically feasible to provide water service to these because of the natural barrier of the lake. It's possible we can get water to them through our system."

"Unfortunately, not everyone who is interested can be included in the system," said Fincher. "Because of geographical and other problems. Within one month, we should know where the line will go. Billy Jacobs, the engineer from Waters & Decker, has been very encouraging about our prospects. And although he has already begun work on his report, we will continue to take applications up until his evaluation is complete, approximately August 1."

The corporation has engaged an attorney, David Hamblin, to supply for a charter and handle other legal matters. Before application can be made, a general meeting must be held to select a new name or confirm the present name of the corporation. A board of directors must be elected as well.

The co-op's first application should be filed with FWS by September 1, said Fincher, so plans will need to be worked before that date.

Hamblin expects the incorporation of Albany into the system by way of the highway, and U.S. Road 1 across the Shackleford area, but it could have added to the system. "I don't know if we can get it done," he said, "but it is a possibility."

Ernest Lupton, pastor of the First Baptist Church, announced that the scholarship given by the church has been increased from \$250 to \$275. "This is a really appreciable gift," the supervisor said last.

An entry in the Albany Study Club, scholarship, reported \$200.00. The current amount is \$200.00.
