**Literature and the Rise of the Interview** Rebecca Roach, 2018-11-15 Today interviews proliferate everywhere in newspapers on television and in anthologies as a method they are a major tool of medicine the law the social sciences oral history projects and journalism and in the book trade interviews with authors are a major promotional device We live in an interview society How did this happen What is it about the interview form that we find so appealing and horrifying Are we all just gossips or is there something more to it What are the implications of our reliance on this bizarre dynamic for publicity subjectivity and democracy Literature and the Rise of the Interview addresses these questions from the perspective of literary culture The book traces the ways in which the interview form has been conceived and deployed by writers and interviewing has been understood as a literary critical practice It excavates what we might call a poetics of the interview form and practice In so doing it covers 150 years and four continents It includes a diverse rostrum of well known writers such as Henry James T S Eliot Ezra Pound Djuna Barnes William Burroughs Philip Roth J M Coetzee and Toni Morrison while reintroducing some individuals that history has forgotten such as Betty Ross Queen of Interviewers and Julian Hawthorne Nathaniel s profligate son Together these stories expose the interview s position in the literary imagination and consider what this might tell us about conceptions of literature authorship and reading communities in modernity

**Controligarchs** Seamus Bruner, 2023-11-14 Controligarchs peers into the future and provides a haunting and revelatory expos of the globalist elite s playbook for the next five years Peter Schweizer author of Red Handed Clinton Cash and Profiles in Corruption Imagine a world in which you own nothing and rent everything Most of the protein in your diet comes from bugs You are not allowed to have more than one child and your financial and medical data are instantly transferred to a centralized government database via a subdermal microchip Controligarchs warns that this will be our existence if the supranational elites of the World Economic Forum get their way In this book investigative journalist Seamus Bruner who led the teams whose findings sparked multiple FBI investigations and congressional probes into the Clintons and the Bidens exposes the billionaires who control the levers of power that dominate every aspect of your life Inside this pathbreaking new book you will discover Bill Gates s 11 7 billion food takeover scheme and the real reason he s snapping up America s farmland Mark Zuckerberg s 36 billion plot to reengineer society and force you into tech addiction Jeff Bezos s taxpayer funded electric vehicle ambitions climate hypocrisy and 1 2 billion plan to spy on you by overseeing your smart home The Soros family s project to use its 25 billion empire to influence elections and society for the next 50 years How World Economic Forum WEF founder Klaus Schwab built an exclusive club in Davos where the top 25 WEF members now worth more than 10 trillion have more economic power than most world governments and how these global oligarchs are seizing control over our future Based on a mountain of financial filings insider documents and corporate records Controligarchs rips back the curtain on never before published revelations about the life altering schemes that globalist elites have in store for you This book is a must
