Welcome Speech For Preschool Christmas Program:

A Name for Herself K. A. Van Til, 2020-07-31 Grandma Zwier was a remarkable woman. At ninety she was as sharp as one of the pins she used to hem her dresses. While serving tea and cookies in her little senior apartment one day she abruptly turned to me and said Well I sure haven't made a name for myself maybe one of you grandkids will. That struck me forcefully for two reasons. First why would a poor immigrant woman with an eighth grade education even think she could have made a name for herself. Second grandma and millions of women like her should have made names for themselves. They were pioneers and saints who made America what it is today. Like many she was born abroad labored struggled prayed loved laughed bore children tilled virgin soil sent sons to war was widowed cared for others children and much much more. This book is my effort to honor her name and those of others like her. I hope that readers who have not made a name for themselves may also take comfort and inspiration from the story of her life.

Abduction: How Liberalism Steals Our Children's Hearts And Minds

Steven Feazel, 2016-10-04 Sounding the Alarm. The authors sound an Amber Alert for the souls of America's youth. They expose how the liberal Left seeks to brainwash our kids for their political gain. Movies, TV, music, court decisions, news reports and the education system are all corrupted by the Left to control the nation's youth. Parents who seek to protect their children from the devious deception of a liberal agenda will find this book to be a practical guide to push back against the Liberal efforts designed to reshape our kids' worldview and destroy their moral compass. Steve Feazel and Dr. Carol Swain ring a warning bell for all parents to heed who want their children to embrace and cherish traditional values and moral living that will allow them to live happy and productive lives. The book reveals the dangers of a relative morality while providing practical action steps that parents can take to prevent their children from becoming conformed to the secular pattern of the world. Tim Wildmon, President of American Family Association. I thank God for Carol Swain. Very few people are willing to see much less say what she and Steve Feazel say in this tremendously important book.
