start to wonder if they've made a huge mistake. What follows is sexy, fun, painful, messy and completely surprising to them both. Because sometimes doing something bad is the only way to get to the heart of what's really good. *Last Call* Elon Green, 2021-03-09 WINNER OF THE EDGAR AWARD FOR BEST FACT CRIME A terrific harrowing true crime account of an elusive serial killer who preyed upon gay men in the 1990s. The New York Times Editor's Pick. In this astonishing and powerful work of nonfiction, Green meticulously reports on a series of baffling and brutal crimes targeting gay men. It is an investigation filled with twists and turns, but this is much more than a compelling true crime story. Green has shed light on those whose lives for too long have been forgotten and rescued an important part of American history. David Grann, 1 New York Times bestselling author of *Killers of the Flower Moon*. The gripping true story told here for the first time of the Last Call Killer and the gay community of New York City that he preyed upon. The Townhouse Bar, midtown, July 1992. The piano player seems to know every song ever written; the crowd belts out the lyrics to their favorites and a man standing nearby is drinking a Scotch and water. The man strikes the piano player as forgettable. He looks bland and inconspicuous. Not at all what you think a serial killer looks like. But that's what he is, and tonight he has his sights set on a gray-haired man. He will not be his first victim. Nor will he be his last. The Last Call Killer preyed upon gay men in New York in the 80s and 90s and had all the hallmarks of the most notorious serial killers. Yet because of the sexuality of his victims, the skyhigh murder rates and the AIDS epidemic, his murders have been almost entirely forgotten. This gripping true crime narrative tells the story of the Last Call Killer and the decades-long chase to find him. And at the same time, it paints a portrait of his victims and a vibrant community navigating threat and resilience. *The Best American Mystery and Suspense 2023* Lisa Unger, Steph Cha, 2023-10-17 A collection of the year's best mystery and suspense short fiction selected by New York Times bestselling author Lisa Unger and series editor Steph Cha.
