Brain ,1902 Aimed at researchers and clinicians this journal of neurology balances studies in neurological science with practical clinical articles **Don't Stick Your Dick in a Blender** Jonathan Roseland,2025-09-09 Women are dangerous Good yet naive men routinely wreck their lives because they stick their dick in a blender having sex with the wrong kinds of women STDs unplanned pregnancies false accusations mental health headcases and divorce make chasing skirts a dangerous game While lesser men retreat from the pursuit of women into the pixel powered pleasure world you have faith that your hunt for a virtuous woman will be fruitful You can t take a time machine back to a more decent age to find a marriageable woman You re not ready to give up on your genetic purpose and start banging sex robots but you re tired of the transient meaningless flings with mediocre women You re likely underestimating just how risky sex a relationship or marriage is with the modern woman But you re also underestimating just how rewarding it is to win the commitment of a nice girl a truly feminine woman not at war with the natural order and intertwine your essence with hers Don t Stick Your Dick in a Blender is an irreverent politically incorrect exposition of the state of dating in the current year And a playbook of counter intuitive

approaches advanced social dynamics lifehacks along with filtering strategies for avoiding the time wasters and inglorious skanks How to meet a nice girl Meeting a wife material woman Yes it s still possible Dating post COVID 19 The global pandemic plandemic has changed the game you must adapt The truth about marrying an exotic foreign woman Is it for you Online dating Navigating the digital minefield of fakers flakes liars and scams Mindset demystified Deprogramming the mainstream and counter culture mindsets that cost you love Dating abroad How to do it without getting royally screwed Avoiding the friend zone Advanced persuasion and sexual signaling methods Seducing a virgin Why this really matters and how to do it Eliciting yielding Yin energy Inspiring a woman to adopt your values Cultivating her devotion Get laid like a lover and get respect like a patriarchal provider Tantric sex hacks Up your bedroom skills with an arsenal of holistic biohacks both ancient and cutting edge for life changing sex Losing your virginity Perhaps you re a frustrated virgin or Incel disappointed with all the crappy advice about how to lose your virginity 33 steps are broken down for meaningfully losing your virginity And in these pages you ll get the red pills on dating sex and the fairer sex without the hopelessness and cynicism You ll learn about the four red flags of a blender deal breakers that should make you back away slowly from a woman You ll learn what qualifies as a virtuous woman with whom you might have a future And why there are reasons to be optimistic about finding love and even getting married one day This book is also a story of hope and redemption the memoir of a reformed pick up artist who enjoyed the decline all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe Includes 18 hour audiobook narrated by the author

Textbook of Palliative Care Roderick Duncan MacLeod,Lieve Van den Block,2025-02-25 This second edition provides the most up to date information on all aspects of palliative care including recent developments including COVID 19 global policies service provision symptom management professional aspects organization of services palliative care for specific populations palliative care emergencies ethical issues in palliative care research in palliative care public health approaches and financial aspects of care This new Textbook of Palliative Care remains a unique comprehensive clinically relevant and state of the art book aimed at advancing palliative care as a science a clinical practice and as an art Palliative care has been part of healthcare for over fifty years but it still needs to explained to many Healthcare education and training has been slow to recognize the vital importance of ensuring that all practitioners have a good understanding of what is involved in the care of people with serious or advanced illnesses and their families However the science of palliative care is advancing and this new edition will contribute to a better understanding This new edition offers 86 updated or new chapters out of 108 written by experts in their given fields providing up to date information on a wide range of topics of relevance to those providing care towards the end of life no matter what the disease may be We present a global perspective on contemporary and classic issues in palliative care with authors from a wide range of disciplines involved in this essential aspect of care The Textbook includes sections addressing aspects such as symptom management and care provision

organization of care in different settings care in specific disease groups palliative care emergencies ethics public health approaches and research in palliative care This new Textbook will be of value to practitioners in all disciplines and professions where the care of people approaching death is important specialists as well as non specialists in any setting where people with serious advanced illnesses are residing It is also an important resource for researchers policy and decision makers at national or regional levels Neither the science nor the art of palliative care will stand still so the Editors and contributors from all over the world aim to keep this Textbook updated so that the reader can find new evidence and approaches to care
