Tibetan Border Worlds Van:

Tibetan Border Worlds Wim Van Spengen,2013-01-11 The focus of the study is the Tibetan and Tibetanized border populations in the little known Himalayan high valley of Nyishang in West Central Nepal close to the Tibetan border There a group of traders have greatly extended their external relations over the past century in the form of long distance trade ventures thereby thoroughly changing the internal conditions of socio economic organizations in their home district The object of the study is to establish whether larger geohistorical processes of structural change may be conceptualized in such a way as to link structuration at the level of the localized social group to the dynamics of the wider regional setting

Tibetan Border Worlds Willem van Spengen,1992 **Tibetan Border Worlds** Wim van Spengen,1992 **The Himalayan Border Region** Christoph Bergmann,2016-04-18 Drawing from extensive archival work and long term ethnographic research this book focuses on the so called Bhotiyas former trans Himalayan traders and a Scheduled Tribe of India who reside in several high valleys of the Kumaon Himalaya The area is located in the border triangle between India the Tibet Autonomous Region TAR People s Republic of China and Nepal where contestations over political boundaries have created multiple challenges as well as opportunities for local mountain communities Based on an analytical framework that is grounded in and contributes to recent advances in the field of border studies the author explores how the Bhotiyas have used their agency to develop a flourishing trans Himalayan trade under British colonial influence to assert an identity and win legal recognition as a tribal community in the political setup of independent India and to innovate their pastoral mobility in the context of ongoing state and market reforms By examining the Bhotiyas trade identity and mobility this book shows how and why the Himalayan border region has evolved as an agentive site of political action for a variety of different actors

The Tibetan History Reader Gray Tuttle,Kurtis R. Schaeffer,2013-04-02 Answering a critical need for an accurate in depth history of Tibet this single volume resource reproduces essential hard to find essays from the past fifty years of Tibetan studies Covering the social cultural and political development of Tibet from the seventh century to the modern period the volume is organized chronologically and regionally to complement courses in Asian and religious studies and world civilizations Beginning with Tibet s emergence as a regional power and concluding with its profound contemporary transformations this anthology offers both a general and

Migration, Development and Social Change in the

Himalayas Madleina Daehnhardt,2019-07-17 This book teases out the reasons for and the socio economic impacts of different types of migration on contemporary rural households and individuals The author creatively depicts the dynamic microcosm of one village in the North Indian Kumaun Himalayas near the border with Chinese Tibet giving voice to the life stories of a range of migrants Through this ethnography migration is revealed as a fundamental part of the multifaceted 21st century changes which the village is experiencing From elderly women to unemployed men young farm women and local children the book demonstrates how village life is continually constituted socially and economically by overlapping migration

patterns including outmigration return migration in migration and even non migration Extending the argument the author demonstrates that the village microcosm is linked to many other villages which are microcosms in their own right as well as in relation to the main village across a spatial hierarchy The theoretical implications of the study are teased out to inform our understanding of rural urban migration trends and impacts more generally and as such the book will be of interest to researchers of the South Asian region but also of internal migration in the global context

Britain and Tibet 1765-1947

Julie Marshall,2004-11-23 This bibliography is a record of British relations with Tibet in the period from 1765 to 1947 It also provides background information to Tibet s claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and articles in their historical context This work is both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history

Reincarnation in Tibetan Buddhism

Ruth Gamble,2018-07-09 Reincarnation in Tibetan Buddhism examines how the third Karmapa hierarch Rangjung Dorj 1284 1339 transformed reincarnation from a belief into a Tibetan tradition It surveys his life through the portal of his previously untranslated autobiographical stories and songs which reveal how his contribution to this tradition s invention

Contemporary Tibet Barry Sautman,2005-12-27 The subject of Tibet is highly controversial and Tibet as a political entity is defined differently from source to source and audience to audience The editors of this path breaking multidisciplinary study have gathered some of the leading scholars in Tibetan and ethnic studies to provide a comprehensive analysis of the Tibet question Contemporary Tibet explores essential themes and issues concerning modern Tibet It presents fresh material from various political viewpoints and data from original surveys and field research The contributors consider such topics as representations and sovereignty economic development and political conditions the exile movement and human rights historical legacies and international politics identity issues and the local society The individual chapters provide historical background as well as a general framework to examine Tibet s present situation in world politics the relationship with China and the West and prospects for the future
