Choice Board 3

Use this grid to choose 3 activities for your book. The 3 activities you choose must be in a row: across, down, or diagonally. Circle your 3 choices. Be sure to put the title of the book and your name on every activity you complete. Return this sheet with the 3 activities.

Write 6 challenging math word problems using characters and events from your book. Then solve each of the problems.	Make a list of at least 5 ways that your book would be different if it were set 100 years in the past. Then illustrate one of them.	Make a T-Chart. On one side write "I Know." On the other side, write "I Think." Fill in the chart with at least 5 examples on each side about the main character of your book.
Create a map of an important setting in the book. Include labels or a map key to show important locations from the book. Then write a caption for your map.	Pick an eventful or exciting part of our book. Then write a journal entry about the event as if you were the character experiencing it.	Make a comic for one of the chapters of your book. Use pictures, captions, and speech bubbles to tell the story.
Write a new ending for this book. It should be at least a page long. Illustrate your ending.	Pretend you are going to join the main character in the story for a week. Make a list of everything you will need to pack to bring with you.	Create a multiple-choice test for this book. Include at least 10 questions on your test. Be sure to include an answer key!

Getting to the Common Core Sharon L. Spencer, Sandra A. Vavra, 2015-01-20 This book demonstrates how teachers use research based strategies to meet Common Core Standards while focusing on students. It includes examples from various grade levels showing strategy implementation, student work samples and reflections. The book emphasizes practical approaches and the flexibility of strategies across subjects.

The Perfect Blend Michele Eaton, 2020 Many blended learning initiatives start from the top down and are designed for specific populations or make drastic changes to a school's learning structure. But any K-12 classroom teacher can find ways to leverage blended learning within the four walls of their classroom regardless of the constructs of their learning environment. All they need is a willingness to rethink their role in the classroom moving from content deliverer to architect of learning. In **The Perfect Blend** you'll learn how to create a homemade recipe for effective blended learning within your classroom. Rather than focusing on finding and implementing a specific established model, author Michele Eaton shows teachers how to embrace the flexibility of blended learning to take an active role as a designer of learning in the classroom and in the process helping students find their voices as advocates for their education.

A Teacher's Toolbox for Gifted Education Todd Stanley, 2022-01-31 This book provides busy teachers with an adaptable toolbox of strategies for challenging gifted students that they can immediately put into practice in their classroom, school or program. Chapters cover everything from makerspaces and project based learning to enrichment clubs, mentorships, creative thinking and more. Each strategy includes an overview, resource guide, description of how it looks in the classroom and all the information you need to put it into practice. With templates, charts and links to videos illustrating the tools in action, **A Teacher's Toolbox for Gifted Education** is your go-to guide for creative ways to support advanced learners.

Inclusion Strategies That Work! Toby J. Karten, 2015-01-02 The go-to resource for ensuring the success of ALL learners. Teaching students with diverse needs require educators to tap deep reserves of instructional know-how, empathy, responsiveness and patience. And the mark of a great educator is ensuring that ALL learners reach their full potential academically and emotionally. For years, **Inclusion Strategies that Work** has been an indispensable resource for K-12 teachers as they confidently assess, instruct and differentiate inclusive lesson plans and strategies for inclusion. In this new edition, Toby J. Karten's data-driven methods are updated with the latest research connections to the Common Core and legislative developments. Beginning with a thoughtful look at why inclusion is so essential, Karten provides valuable advice on co-planning, structured lessons, ways to leverage technology and much more, including: Updated information on ADA, IDEA, writing IEPs, transitional services, classifications, RTI, metacognitive strategies and links to the Common Core. Tips for collaboratively working with families and making them an integral part of the inclusive team. Interactive strategies and techniques that make concepts real in the classroom by honoring each individual student and by not permitting a label to define a student or lower academic, behavioral, social and emotional expectations. An overview of special education legislative
