Atlantic Coast of North America - U.S. Waters

ATTENTION:

"The data contained in Table 2 of these books represents the data offered in the last official NOAA offering of this publication, issued in 2020. While the data in the conversion tables do not change from year to year, and these tables have been used for years, there may be more accurate information available as some stations have been discontinued and some station values have been updated. For latest values refer to tidesandcurrents.noaa.gov." Any future use of the information from the table 2 pages must be taken "at your own risk".
