### **Workshop: The Art of Creative Inquiry**

Warren Linds,Tony Gee,2023-06-26 This book explores tools and techniques for creating the arts with groups It provides insights into why workshops are such an effective and relevant form of creative practice Throughout two experienced practitioners share successful principles and qualities They also include examples of workshops that explore ways of facilitating creative exploration The authors believe that underpinning any good workshop practice is an understanding of what constitutes a workshop This is a process in which the relationship between artist researcher and

participant audience maker and witness is fluid It extends each individual's abilities and connects doing to learning to inquiring in a single process The book itself is a dialogue on and an investigation into this practice It fully explores the specificities of workshop practice in relation to how it engages others in arts based research Readers learn how workshops involve inquiry into six areas inquiry into subjects artistic processes skills self the world and relationships with others In the end this informed investigation helps practitioners to better reflect on their own approaches to arts based inquiry and research This in turn leads to a better understanding of how readers can use workshops for the maximum benefit of all participants both individuals and groups Joyce in the Belly of the Big Truck; Workbook Joyce A. Facilitating with Ease! Ingrid Bens, 2017-10-18. The definitive guide to running productive meetings. *Facilitating With Ease* has become the go to handbook for those who lead meetings, training and other business gatherings. Packed with information, effective practices and invaluable advice this book is the comprehensive handbook for anyone who believes meetings should be productive, relevant and as short as possible. Dozens of exercises, surveys and checklists will help transform anyone into a skilled facilitator and clear actionable guidance makes implementation a breeze. This new fourth edition includes a new chapter on questioning plus new material surrounding diversity, globalization, technology, feedback, distance teams, difficult executives, diverse locations, personal growth, meeting management and much more. With in depth expert guidance from planning to closing this book provides facilitators with an invaluable resource for learning or training. Before you run another meeting discover the practices, processes and techniques that turn you from a referee to an effective facilitator. This book provides a wealth of tools and insights that you can put into action today. Run productive meetings that get real results. Keep discussions on track and facilitate the exchange of ideas. Resolve conflict and deal with difficult individuals. Train leaders and others to facilitate effectively. Poorly run meetings are an interruption in the day and accomplish little other than putting everyone behind in their real work. On the other hand a meeting run by an effective facilitator makes everyone's job easier, decisions get made, strategies are improved, answers are given and new ideas bubble to the surface. A productive meeting makes everyone happy and results in real benefits that spread throughout the organization. *Facilitating With Ease* is the skill building guide to running great meetings with confidence and results.

Open to Outcome Micah Jacobson, Mari Ruddy, 2004. Combining more than 30 years of facilitating, training and teaching experience the authors use field tested approaches to create a group reflection experience that maximizes engagement, participation and most importantly learning.

The 5 Question Model takes the essential elements of classic learning cycles, debriefing and presents them in such a way that they can be quickly understood, used and taught to a wide variety of skill levels.
