**Through A Glass, Darkly** Scott Roche, 2011-03-02 This combines the following short stories Fetch A parish priest investigates the death of his parishioner only to be faced by the reality of supernatural evil Power in the Blood Reggie is tired of getting beaten down everywhere he turns He finds a new strength but at what cost A Good Samaritan Trudi and her friend stop on the road to help a stranded motorist and confront the walking dead The Good Doctor Selling potions and trinkets to protect people from the all to real supernatural perils that surround them provided the Doctor with a good living but it may lead to his death In one volume you ve got demons zombies blood suckers and werewolves That s a recipe for a good night s reading if not a good night s sleep    **Through the Glass Darkly** Christie Arnold Wilburn, 2025-08-14 Through the Glass Darkly A Mirror Horror Anthology There are things you see in the mirror and things that see you back In this chilling anthology the reflection is never just your own Through the Glass Darkly invites you into a labyrinth of horror where each tale twists reality blurs the line between sanity and madness and asks a single unnerving question what happens when the mirror refuses to let go Step into hotel rooms where shadows whisper your secrets antique shops where the glass remembers every face it s ever trapped and quiet bedrooms where a simple glance into a vanity might be the last mistake you ever make Within these pages mirrors become portals prisons and predators offering glimpses into alternate lives darker selves and worlds that should never be crossed Every story is a reflection of something buried deep grief so raw it manifests as a ghost in the glass a jealousy so consuming it crafts a duplicate that won t stay in its place a hunger so ancient it reaches from the other side begging for release As the anthology unfolds each piece weaves into a greater more sinister mosaic until the true nature of the mirror realm begins to reveal itself and with it the terrifying truth about what really lies behind the silvered surface This is not horror that jumps from the dark this is horror that stands in front of you mimicking your every move smiling when you shouldn t be smiling and waiting for you to lean just a little closer It s psychological creeping intimate the kind of fear that lingers long after you ve turned the last page making you second guess every reflection in every window screen or piece of polished metal For lovers of Shirley Jackson s quiet dread Stephen King s creeping inevitability and the haunting folklore of urban legends Through the Glass Darkly delivers a curated set of tales that feel both familiar and foreign like a dream you can t quite shake Each author brings their own voice style and twist to the mirror mythos some stories will break your heart before they shatter your nerves others will drag you down screaming into the dark Whether it s a Victorian governess whose charges vanish one by one into a full length looking glass a cursed hand mirror that distorts more than your face or a modern influencer whose obsession with her own image opens the wrong kind of following every narrative is an invitation to look knowing you might not like what s staring back You will find no safe passage here The reflections shift The glass breathes The frame is closing in And when you finally try to turn away you might find the reflection stays smiling that slow knowing smile long after you ve gone Dare to read it at night Dare to look up when you re done But whatever you do

don't look too long     *A Tomb With a View - The Stories & Glories of Graveyards* Peter Ross, 2020-09-03 A FINANCIAL TIMES I PAPER AND STYLIST BOOK OF THE YEAR In his absorbing book about the lost and the gone Peter Ross takes us from Flanders Fields to Milltown to Kensal Green to melancholy islands and surprisingly lively ossuaries a considered and moving book on the timely subject of how the dead are remembered and how they go on working below the surface of our lives Hilary Mantel Ross is a wonderfully evocative writer deftly capturing a sense of place and history while bringing a deep humanity to his subject He has written a delightful book The Guardian The pages burst with life and anecdote while also examining our relationship with remembrance Financial Times best travel books of 2020 Among the year's most surprising sleeper successes is *A Tomb with a View* In a year with so much death it may have initially seemed a hard sell but the author's humanity has instead acted as a beacon of light in the darkness The Sunday Times Fascinating Ross makes a likeably idiosyncratic guide and one finishes the book feeling strangely optimistic about the inevitable The Observer Ross has written a lively elegy to Britain's best burial grounds Evening Standard Best New Books of Autumn 2020 One of the non fiction books of the year The i paper 2020 Best Books for Christmas Brilliant Stylist Best Christmas books for Christmas 2020 Never has a book about death been so full of life James Joyce and Charles Dickens would've loved it a book that reveals much gravity in the humour and many stories in the graveyard It also reveals Peter Ross to be among the best non fiction writers in the country Andrew O'Hagan For readers of *The Salt Path* Mudlarking Ghostland Kathleen Jamie and Robert Macfarlane Enter a grave new world of fascination and delight as award winning writer Peter Ross uncovers the stories and glories of graveyards Who are London's outcast dead and why is David Bowie their guardian angel What is the remarkable truth about Phoebe Hessel who disguised herself as a man to fight alongside her sweetheart and went on to live in the reigns of five monarchs Why is a Bristol cemetery the perfect wedding venue for goths All of these sorrowful mysteries and many more are answered in *A Tomb With A View* a book for anyone who has ever wandered through a field of crooked headstones and wondered about the lives and deaths of those who lie beneath     **Best Ghost Short Stories 1850-1899** Charles Dickens, Bram Stoker, M.R. However the application of such studies to musical genres outside the classical film canon or in television and other media remains largely unexplored in any detail. Tristian Evans demonstrates how postminimal music interacts with other media forms focusing on the film music by Philip Glass but also taking into account works by other composers such as Steve Reich, Terry Riley, John Adams and others inspired by minimalist and postminimal practices. Additionally Evans develops innovative ways of analysing this music based on an interdisciplinary approach and draws on research from areas that include philosophy, linguistics and film theory. The book offers one of the first in depth studies of Philip Glass's music for film considering *The Hours* and *Dracula*, *Naqoyqatsi*, *Notes on a Scandal* and *Watchmen* while examining re-applications of the music in new cinematic and televisual contexts. The book will appeal to musicologists but also to those working in the fields of film music, cultural studies, media studies and multimedia.
