Thunder In The Morning Calm Pacific Rim Series:

Thunder in the Morning Calm Don Brown, 2011-08-23 Lieutenant Commander Gunner McCormick is assigned as an intelligence officer to Carrier Strike Force 10 being deployed to the Yellow Sea at the invitation of South Korea for joint exercises with the US Navy. During his pre deployment briefing he discovers a TOP SECRET MEMO revealing rumors that the North Koreans may still be holding a handful of elderly Americans from the Korean War in secret prison camps. As it happens Gunner's grandfather who was a young marine officer in the Korean War disappeared at Chosin Reservoir over 60 years ago and is still listed as MIA in North Korea. Sworn to silence about what he has read the top secret memo, Gunner decides to spend all his inheritance and break every military regulation in the book to finance his own three man commando squad on a suicide mission north of the DMZ to search for clues about the fate of his grandfather. Risking his career, his fortune and his life, Gunner will get his answers or he will die trying. Don Brown is building a loyal fan base by writing what he knows best: thrillers with heart. A former Navy JAG officer and action officer in the Pentagon, Brown pens action packed plots and finely drawn characters that are credible and compelling. *Thunder in the Morning Calm* is a novel of bravery, duty and family love that will keep readers of all ages reading straight through to the last page. **Storming the**

Black Ice Don Brown, 2014-02-25 When British geologists discover the world's largest oil reserves under the desolate icy tundra of Antarctica, Britain and Chile form a top secret alliance for control of petroleum resources that will rival the economic power of OPEC. But when their discovery is uncovered by an Argentinean intelligence officer, a surprise attack against a secret British outpost in Antarctica triggers a war. Britain and Chile are in a military standoff against Venezuela and Argentina, and when the war escalates, Britain asks America for help. For two couples separated by the battle, the outcome will be either love reunited or devastating heartbreak. For a young British boy living with his mother in London, his father's life is on the line. And for Pete Miranda, an American sub commander detailed on a special military assignment to his father's homeland of Chile, will his fate be a crushing death under the icy cold waters of the Antarctic Ocean or a future of life, light and a second chance for love. **Destiny**

Don Brown, 2014-09-01 When World War II hits Walter Brewer's family in the worst possible way, he is torn between his love for two women, his family and his country. A rural postal carrier in his hometown of Jamesville, North Carolina, Walter struggles to look after his brother's wife and family as well as his own while his brother is stationed at Pearl Harbor. He has no idea his life is about to become entwined with a Nazi officer and a Royal Navy commando. Heinrich Schultz is haunted by his participation in Kristallnacht against the local Jews, but he is honored when called to serve in the German Special Forces. He leaves his wife and two daughters at home to serve in Africa under General Rommel. Darwin McCloud strives to make his father a Royal Navy captain proud. After participating in the invasion at Dieppe, Darwin's true character is evident to all. The duty falls on Walter to deliver a letter that will tie all three families together. Will Walter survive his mission over France as a paratrooper in the 101st Airborne on D Day, or is the ultimate sacrifice Walter's?
