From the co-author of the renowned Left Behind series, this epic story chronicles the unfolding end of the world. Joshua Jordan, former US spy plane hero now turned weapons designer, has come up with a devastatingly effective new missile defense system: the Return to Sender laser weapon. But global forces are mounting against America, and corrupt White House and Capitol Hill leaders are willing to do anything to stop the nation's impending economic catastrophe, including selling out Joshua and his weapon. With help from a group of powerfully connected Christian leaders known as the Patriots, Jordan works to save the nation from economic moral collapse and to clear his name. As the world events begin setting the stage for the end of days, Jordan must consider the personal price to pay if he is to save the nation he loves. In the third installment of The End series, Joshua Jordan remains in Israel during his self-imposed exile out of the reach of U.S. authorities who have trumped up false criminal treason charges against him. Joshua Jordan stands accused of treason. The charges paint him as a domestic terrorist who used his own defense contracting firm and the Roundtable group to infiltrate the Department of Defense and manipulate America's national security apparatus so it would conform to his own political agenda. Joshua has taken asylum in Israel until his wife and attorney Abigail can prove his innocence and guarantee him a fair trial. Following the nuclear attack by Russia, Israel has been cleaning up the bodies of dead enemy soldiers for 7 months and setting out on its 7-year plan, both per the prophecies in Ezekiel. As corruption in high government offices threatens to block the election of a worthy presidential candidate by all means necessary, including the unthinkable, Israel's leadership is tempted to sign a peace proposal initiated by the UN under the authority of Coliquin. Joshua is convinced Coliquin may well be the prophesied Anti-Christ, and that his peace plan is a trap to destroy Israel. Are the
