## Principal Is Placed; Taxes Are Discussed

Canton school board members met Tuesday night with a full agenda, including discussion on revising the tax assessment ratio, the budget for the 1976-77 school year, honoring a progress report from Robert Brown of

Tyler on the new construction and remodeling program, and the proposed new principal.

During the executive session, Ed Brown, who is presently serving as interim superintendent, was named as permanent principal of the kindergarten through fifth grade.

with tax assessor collector Lady Wright, the possibility of revising the tax assessment ratio. The state is in the process of preparing a new system of taxes and to the various school districts, in an effort to equalize taxes throughout the state and until this report is released after July 1 of the new tax structure, the school does not know just where it stands taxwise. Mrs. Wright stated, it is expected that the board will have to come up with an additional \$17,000 from taxes.

The budget for 1976-77 was only a preliminary estimate, and will be worked down before August when it is expected to be approved.

Robert V. Brown, Jr., Tyler architect and planning consultant, met with the board and presented a general report on the construction of the new elementary building and remodeling program. Total construction is about as far along as can be expected at this time. It is not excessive.

Some changes were made in the center of the site, and the bid from Carter Craft, Inc. of Dallas for construction of the new school was accepted. Price will be revised as changes specify.

Arthur Lathin, board director for the board of the Bank Boosters Club, along with members of the club, invited a group of parents of the club, which had the club wants to try 60 new baseball uniforms. The price of \$1,800.48, and add about five a year.
