**Caroline Morrell**

## **Black Friday Cover Letter This Week:**

Social Psychology of Dress Sharron J. Lennon, Kim K. P. Johnson, Nancy A. Rudd, 2024-02-22 Social Psychology of Dress 2nd Edition presents and explains the major theories and concepts of human behavior relating to dress drawing from the social science fields of psychology, sociology and anthropology. The text positions dress as a process in which individual preferences, membership in social groups and cultural awareness all impact choices about attire and appearance. Using empirical data and examples from current events and popular culture, the authors define dress, present its origins and functions, and discuss research methods for dress. They also explore the relationships between dress and topics including social perception, impression formation, identity, cultural patterns and rituals, and body image. Box features highlighting applications to the fashion industry, end-of-chapter summaries and discussion questions to further engage students in their study of dress. New to this Edition: New Dress Research in the News, Application to Consumer Behavior and Social Media Application features, and updated Dress in the News features addressing contemporary topics such as cultural appropriation, workplace discrimination and advocacy for racial inclusivity. Increased focus on diverse cultural influences. Coverage of current industry trends including new research findings, smart clothing and the body positivity movement. Discussion of the Covid 19 pandemic through examples and case studies. STUDIO Features: Include Study smarter with self quizzes featuring scored results and personalized study tips. Review concepts with flashcards of essential vocabulary. Instructor Resources: Instructor's Guide provides suggestions for planning the course and using the text in the classroom, supplemental assignments and lecture notes. Test Bank includes sample test questions for each chapter. PowerPoint presentations include images from the book and provide a framework for lecture and discussion. In-class activities stimulate student engagement with course material. Online chat activities encourage student participation and provide creative alternatives for content delivery.

**William Friday** William A. Link, 2013-10-12 Few North Carolinians have been as well known or as widely respected as William Friday (1920-2012). The former president of the University of North Carolina remained prominent in public affairs in the state and elsewhere throughout his life and ranked as one of the most important American university presidents of the post World War II era. In the second edition of this comprehensive biography, William Link traces Friday's long and remarkable career and commemorates his legendary life. Friday's thirty years as president of the university from 1956 to 1986 spanned the greatest period of growth for higher education in American history and Friday played a crucial role in shaping the sixteen-campus UNC system during that time. Link also explores Friday's influential work on nationwide commissions, task forces and nonprofits and in the development of the National Humanities Center and the growth of Research Triangle Park. This second edition features a new introduction and epilogue to enrich the narrative, charting the later years of Friday's career and examining his legacy in North Carolina and nationwide.
