**\$100,000 and Counting** Ashli McLean, 2012-08 100 000 and Counting is a faith based guide to winning college scholarships. It is an eclectic mix of academic advice, scriptural references, self-help principles, and a personal testimony. The power in utilizing both faith and works resides as the central theme. With conversational writing, the book provides a wealth of information on college planning even as it remains a Christian inspirational. Infused with counsel from college and scholarship professionals, it is also wrapped up in McLean's personal testament of how her faith made way for God to provide over 100 000 in scholarships for her college education. With a special focus on minority students, 100 000 and Counting shares the resources and instruction regarding the college application and scholarships processes that many minorities feel disadvantaged in accessing. The book also includes a special guide for parents. 100 000 and Counting is an invaluable asset for parents and students seeking guidance on how to receive scholarships in a society where college costs are increasing significantly each year.
