Sixty Saints For Girls:

Sixty Saints for Girls Joan Windham, 2014-12-12 Joan Windham's *Sixty Saints for Girls* contains all her stories of girl and woman saints from her other books with a number of new ones added. The stories are arranged by date beginning with Our Lady's mother St Anne and finishing with another Anne, Anne de Guigne, this Anne who died in 1922 aged 10 has not been canonized but she was declared Venerable on March 3 1990 by Pope John Paul II. In between is a lovely mix of saints young and old princesses and pilgrims mothers and grandmothers and nuns a goose girl and a horse dealer's daughter a girl who was kidnapped by pirates a veterinarian and believe it or not a ventriloquist. These stories are ideally suited to inspire readers to fall in love with virtue. No child reading them will ever suppose that saints are all cut to one pattern or that holiness is less interesting than bad behavior. Anyone who wants to know what a saint is really like will get a clear and beautiful picture by reading these accounts and they can be enjoyed over and over again by children of all ages and by adults alike.

Failing America's Faithful Kathleen Kennedy Townsend, 2007-03-01 Blending inspirational memoir with a religious and political rebuke of American Christianity the oldest daughter of Senator Robert F Kennedy delivers a rousing call to arms for spiritual renewal. For too long religion has been a political plaything of the right wing in this country. American churches seem more concerned with what people do with their bodies than with their souls. Now Kathleen Kennedy Townsend issues a spiritual call to arms to those who feel like her that today's churches Catholic and Protestant alike are failing to promote the welfare of those who depend upon them. After recounting her personal story in one of the most prominent Catholic families in America she shows how America's neediest are now forgotten while their churches fight political battles against abortion rights and homosexual marriages. She provides hope through powerful examples of individuals effecting change from obscure social workers to The Purpose Driven Life's Rick Warren and maintains that our individual actions can return our churches to their traditional role as shepherds to their flock.

Touching the Heart William J. Bausch, 2007 No one can write about storytelling like Father Bill Bausch. Both his words and his stories are compelling convincing and completely absorbing. Here in this landmark work which he insists is his last his goal is to help readers see the centrality of stories to read and hear Scripture as story and not as history and to learn

to enrich and expand their lives by looking at the story behind the story He wants to break readers out of the literalism that constricts their spiritual and social lives so they might gain an appreciation of metaphor and symbol and the sacramentality of the world **Index to Short Biographies: for Elementary and Junior High Grades** ,1971 *Catalog of Copyright Entries.
