## **Still Black Still Strong:**

*Still Black, Still Strong* Dhoruba Bin Wahad, Mumia Abu-Jamal, Assata Shakur, 1993 An essential document of the Black Panther Party written by three leading thinkers and party activists who were jailed following the FBI S 1969 mandate to destroy the organization by any means possible *Still Black Still Strong* is partly based upon the 1989 videotape *Framing The Panthers* by producers Chris Bratton and Annie Goldson It recounts the stories of Dhoruba Bin Wahad Mumia Abu Jamal and Assata Shakur all of whom were arrested and jailed during the COINTELPRO probe of the Black Panther Party Dhoruba Bin Wahad who organized chapters of the Black Panther Party in New York and along the Eastern Seaboard and worked with tenants in Harlem and on drug rehabilitation in the Bronx was accused of murdering two officers while still in his teens and imprisoned for 19 years He always maintained his innocence and won his freedom by forcing the FBI to release thousands of classified documents proving that he had been framed The justice department eventually rescinded Bin Wahad s conviction and he was released in 1990 seven months after the documentary premiered Mumia Abu Jamal a journalist who headed the Black Panther free breakfast program for inner city school children in Philadelphia was also accused of the murder of an officer and sent on death row where he still is today Assata Shakur was a college educated social worker in her twenties when she was accused of shooting a cop then arrested and tortured and denied medical treatment Her interview was conducted in Cuba where she has been exiled since her escape from a New Jersey women s prison in 1975 Bin Wahad Shakur and Abu Jamal offer a little known history and an incisive analysis of the Black Panthers original goals which the U S Government has tried to distort and suppress As one confidential 1969 memo to J Edgar Hoover put it The Negro youth and moderates must be made to understand that if they succumb to revolutionary teaching they will be dead revolutionaries

*The Black Panther Party (reconsidered)* Charles Earl Jones, 1998 This new collection of essays contributed by scholars and former Panthers is a ground breaking work that offers thought provoking and pertinent observations about the many facets of the Party By placing the perspectives of participants and scholars side by side Dr Jones presents an insider view and initiates a vital dialogue that is absent from most historical studies **Black Panthers For Beginners** Boyd, Herb, 2015-08-05 A crowd of onlookers gawked from the sidewalk as four young black men dressed in black leather jackets and berets leaped from a Volkswagen each of them wielding shotguns with bandoliers strapped across their bodies The young men surrounded two white police officers who had accosted a black man and had him spread eagled against a building The young men did not say a word as the police officers watched them nervously their eyes fixed on the shotguns One of the young men held a large law book in his hand This was the Black Panther Party in ideal action The real story the whole story was both more and less heroic So begins *Black Panthers For Beginners* The late 1960s when the Panthers captured the imagination of the nation s youth was a time of regulation While their furious passage was marked by death destruction and government sabotage the Panthers left an instructive legacy for anyone who dares to challenge the system Herb Boyd has

done exhaustive research examined the claims of all parties involved and boiled the story down to the truth We believe this is the most truthful book on the market but each Panther has his or her own story to tell We suggest that you check out the stories of all the Black Panthers

**Outlaws of America** Dan Berger, 2006 The fiery true story of America's most famous radical fugitives urgently and passionately told

**Black Power** Jeffrey O. G. Ogbar, 2019-03-19 Exploring the profound impact of the Black Power movement on African Americans Outstanding Academic Title Choice In the 1960s and 70s the two most important black nationalist organizations the Nation of Islam and the Black Panther Party gave voice and agency to the most economically and politically isolated members of black communities outside the South Though vilified as fringe and extremist these movements proved to be formidable agents of influence during the civil rights era ultimately giving birth to the Black Power movement Drawing on deep archival research and interviews with key participants Jeffrey O G Ogbar reconsiders the commingled stories of and popular reactions to the Nation of Islam Black Panthers and mainstream civil rights leaders Ogbar finds that many African Americans embraced the seemingly contradictory political agenda of desegregation and nationalism Indeed black nationalism he demonstrates was far more favorably received among African Americans than historians have previously acknowledged It engendered minority pride and influenced the political cultural and religious spheres of mainstream African American life for the decades to come This updated edition of Ogbar's classic work contains a new preface that describes the book's genesis and links the Black Power movement to the Black Lives Matter movement A thoroughly updated essay on sources contains a comprehensive review of Black Power related scholarship Ultimately Black Power reveals a black freedom movement in which the ideals of desegregation through nonviolence and black nationalism marched side by side

*Black Scare / Red Scare* Charisse Burden-Stelly, 2023-11-14 A radical explication of the ways anti Black racial oppression has infused the US government's anti communist repression In the early twentieth century two panics emerged in the United States The Black Scare was rooted in white Americans fear of Black Nationalism and dread at what social economic and political equality of Black people might entail The Red Scare sparked by communist uprisings abroad and subversion at home established anticapitalism as a force capable of infiltrating and disrupting the American order In *Black Scare Red Scare* Charisse Burden Stelly meticulously outlines the conjoined nature of these state sanctioned panics revealing how they unfolded together as the United States pursued capitalist domination Antiradical repression she shows is inseparable from anti Black oppression and vice versa Beginning her account in 1917 the year of the Bolshevik Revolution the East St Louis Race Riot and the Espionage Act Burden Stelly traces the long duration of these intertwined and mutually reinforcing phenomena She theorizes two bases of the Black Scare Red Scare US Capitalist Racist Society a racially hierarchical political economy built on exploitative labor relationships and Wall Street Imperialism the violent processes by which businesses and the US government structured domestic and foreign policies to consolidate capital and racial domination In opposition Radical Blackness embodied the government's fear of both Black insurrection and Red

instigation The state's actions and rhetoric therefore characterized Black anticapitalists as foreign alien and undesirable This reactionary response led to an ideology that Burden Stelly calls True Americanism the belief that the best things about America were absolutely not Red and not Black which were interchangeable threats Black Scare Red Scare illuminates the anticommunist nature of the US and its governance but also shines a light on a misunderstood tradition of struggle for Black liberation Burden Stelly highlights the Black anticapitalist organizers working within and alongside the international communist movement and analyzes the ways the Black Scare Red Scare reverberates through ongoing suppression of Black radical activism today Drawing on a range of administrative legal and archival sources Burden Stelly incorporates emancipatory ideas from several disciplines to uncover novel insights into Black political minorities and their legacy

Revolutionary Threads Bobby Sullivan, 2021-05-26 An American Rastafarian offers a vibrant examination of American and African history with an anti colonial patina engaging Kirkus Reviews Revolutionary Threads offers an American Rasta's retelling of episodes in American history with an anticolonial thrust accented by Bobby Sullivan's own personal experiences The book ties together various subjects while returning each time to the culture of Rastafari social justice movements and cooperative economics From how we perceive history in general America's precolonial past and global capitalism's early development and the resistance to it to political prisoners and a celebration of religious tolerance the book approaches North America with an African centric perspective Sullivan dispels the oversimplification of our perceptions of Rastafari as well as other cultures in the age of the Internet where the loudest voices are often the most extreme and divisive Revolutionary Threads aims to serve as a unifying agent for our all too connected global village and for the resistance to the consolidation of global capital and all its excesses A post hardcore rock star community activist and social justice intellectual offers an alternative look at countercolonial history through the lens of the Rastafari movement Kirkus Reviews Outlining his philosophical influences and backpacking through history and criss crossing continental borders Sullivan puts his enlightenment journey and way of life which includes activism for social justice prison outreach and cooperative economics on paper The Gleaner Jamaica Sullivan meticulously sources his work throughout whether providing a Howard Zinn like take on the settlement of America by Africans predating Columbus or in discussing political prisoners like Marilyn Buck an engaging lively well thought book which provides a picture of Rastafarianism in action for punks and beyond Razorcake
