Abstract

Provide guidance on proper disposal practices, recycling or reclamation of the materials, or its utilization, and safe handling practices. To maximize exposure, the author should also submit the results to Section 8 (Research, Planning, Training) and Section 9 (HSE).

Indicates when the SOC was prepared or when it last known contact was made. The SOC may also state when the changes have been made to the previous version. You may wish to consult the supplier for an explanation of the changes. Other useful information also may be included here.
