Rachel Sandford

## **Wicker Design**

**Wicker Design** Mary Whitesides,2003 This beautifully designed volume is the comprehensive book on wicker Learn how wicker is made all about the different styles and types and how to restore and maintain your own wicker furniture The book covers different types of wicker from the Victorian style with twisted rosettes and cabriole legs to Art Deco furniture of the 1950s with brightly colored fabrics and modern lines Author and designer Mary Whitesides teaches you how to decorate with wicker using creative ideas to incorporate it into many different styles of homes Don t be fooled into thinking wicker is just for the sunroom or an outdoor patio Wicker has great decorating possibilities and can be combined with furniture in many different styles to create a look that can be casual or formal vintage or modern The chapter on decorating with wicker shows examples from dozens of settings so you can see how easily wicker is incorporated into rooms for the look you desire Wicker also includes information on what to look for in buying vintage wicker how to care for and maintain your wicker and how to restore antique pieces A complete resource directory of national and international companies where you can purchase wicker is included With 140 gorgeous full color photographs this book will show you how versatile and beautiful wicker can be

**The Caner's Handbook** Bruce W. Miller,Jim Widess,1991 A descriptive guide with step by step photographs to restoring cane rush splint Danish cord rawhide and wicker furniture      **Wicker Furniture** Richard Saunders,1990 The definitive guide for decorators and collectors Includes an eight page color insert on rare and unusual wicker pieces two chapters on 1920s wicker and buying old wicker along with advice on preservation More than 400 black and white photographs

**Wicker, Cane, and Willow** Beth Franks,1990      **Hopi Basket Weaving** Helga Teiwes,2016-12-15 With the inborn wisdom that has guided them for so long through so many obstacles Hopi men and women perpetuate their proven rituals strongly encouraging those who attempt to neglect or disrespect their obligations to uphold them One of these obligations is to respect the flora and fauna of our planet The Hopi closeness to the Earth is represented in all the arts of all three mesas whether in clay or natural fibers What clay is to a potter s hands natural fibers are to a basket weaver from the Introduction Rising dramatically from the desert floor Arizona s windswept mesas have been home to the Hopis for hundreds of years A people known for protecting their privacy these Native Americans also have a long and less known tradition of weaving baskets and plaques Generations of Hopi weavers have passed down knowledge of techniques and materials from the plant world around them from mother to daughter granddaughter or niece This book is filled with photographs and detailed descriptions of their beautiful baskets the one art above all others that creates the strongest social bonds in Hopi life In these pages weavers open their lives to the outside world as a means of sharing an art form especially demanding of time and talent The reader learns how plant materials are gathered in canyons and creek bottoms close to home and far away The long painstaking process of preparation and dying is followed step by step Then using techniques of coiled plaited or wicker basketry the weaving begins Underlying the stories of baskets and their weavers is a rare glimpse of what is called the Hopi

Way a life philosophy that has strengthened and sustained the Hopi people through centuries of change Many other glimpses of the Hopi world are also shared by author and photographer Helga Teiwes who was warmly invited into the homes of her collaborators Their permission and the permission of the Cultural Preservation Office of the Hopi Tribe gave her access to people and information seldom available to outsiders Teiwes was also granted access to some of the ceremonial observances where baskets are preeminent Woven in brilliant reds greens and yellows as well as black and white Hopi weavings then not only are an arresting art form but also are highly symbolic of what is most important in Hopi life In the women s basket dance for example woven plaques commemorate and honor the Earth and the perpetuation of life Other plaques play a role in the complicated web of Hopi social obligation and reciprocity Living in a landscape of almost surreal form and color Hopi weavers are carrying on one of the oldest arts traditions in the world Their stories in Hopi Basket Weaving will appeal to collectors artists and craftspeople and anyone with an interest in Native American studies especially Native American arts For the traveler or general reader the book is an invitation to enter a little known world and to learn more about an art form steeped in meaning and stunning in its beauty
