**The Returning Citizen's Survival Guide First Edition** Frank Patka,2023-10-03 Moving is considered one of the most stressful times in a person's life. Moving from prison back to life as a citizen adds a unique spin to the stress one experiences. Individuals exiting the correctional system are inconsistently prepared for reentry. Many are disconnected from the reality of how to live and lack knowledge of what resources are available. A life of freedom is an achievement worth living for and requires a strong foundation to be built on. There are eight fundamental needs in order to survive life and have a shot at creating a life of freedom: Housing, Employment, Transportation, Food, clothing, hygiene, Documentation, Bank account, Health care, Support system. This book was written by a returning citizen for individuals preparing to be released from prison. However, this survival checklist is key for anyone going through a time of transition and change. These checklist items are the foundation for building a new life. Use this book as a resource to help you prepare to navigate and overcome the barriers and obstacles of reentry. And let me be the first to say, Welcome home.
