Reclaiming the Tomboy Erica Joan Dymond, Jennifer Harrison, Holly Wells, 2022-07-11 With the tomboy figure currently operating in a liminal space between extinction and resurgence Reclaiming the Tomboy The Body Identity and Representation is an unabashed celebration of her rebellious independent and pioneering spirit This collection examines the tomboy as she appears throughout history in the arts and in real life It also addresses how she has changed over the centuries adapting to the world around her and breaking new boundaries in new ways sometimes with a simple selfie While this collection addresses the claim of the tomboy as being antiquated or even problematic it more vigorously offers examples of where she is thriving and benefiting from her tomboy identity Ultimately this book underscores the tomboy's legacy as well as why she is still relevant if not needed today
