Times LISBETH SALANDER IS AN UNSTOPPABLE FORCE Sentenced to two months in a women s prison for saving a young boy s life by any means necessary she refuses to say anything in her own defence She has more important things on her mind Mikael Blomkvist makes the long trip to visit every week and receives a lead to follow for his pains And not just any lead but one that could unlock the secrets of Salander s childhood Even in prison system Salander will will never stop seeking the truth driven by a childhood memory of a woman with a blazing birthmark on her neck As if it had been burned by a dragon s fire Translated from the Swedish by George Goulding *The Girl with the Dragon Tattoo #2* Sylvain Runberg, Stieg Larsson, 2017-07-26

Hired to investigate an unresolved missing person s case discredited journalist Mikael Blomkvist headed to Hedeby Island in order to further explore the various twists and turns of the Vanger family history Aided by the brilliant but deeply troubled hacktivist Lisbeth Salander Blomkvist soon discovered a link between the disappearance and a brutal trail of murder deception and dark secrets leading right to the heart of the Vanger family But can the two investigators track down the culprit before another victim surfaces **Disruptive Women of Literature** Eleanore Gardner, 2024-07-08

Disruptive Women of Literature Rooting for the Antiheroine critically examines the representation of the literary antiheroine in contemporary Gothic and crime thriller novels and traces her emergence from the deviant women of Greek mythology and Shakespeare to the twenty first century It explores how the antiheroine shifts dependent on genre time period and format demonstrating that she is capable of both challenging and reaffirming problematic ideologies surrounding women power violence sexuality and motherhood Eleanore Gardner argues that the antiheroine is almost always defined by her experience of a patriarchal trauma and must therefore navigate her identity differently and more complexly than her antihero counterpart The author examines a broad range of texts to understand the antiheroine s fluidity her liminal and abject existence and what these suggest about cultural anxieties surrounding transgressive women *Female Avenger, Women's Anger and Rape-Revenge Film and Television* Margrethe Bruun Vaage, 2024-07-31

The Female Avenger Women s Anger and Rape Revenge Film and Television examines the contentious nature of the female rape survivor turned avenger in rape revenge stories The focus is on a trend of contemporary rape revenge film made by women directors Vaage asks what it might mean for women in particular to watch female avengers and suggests that the reason some women filmmakers explore the rape revenge convention is because it is all about an emotion that is difficult for women and used to label women as difficult namely anger The central premise in this book is that understanding the emotions stirred up by this type of story is crucial in order to understand its recurring controversial presence in popular culture and also its potential value Vaage offers a cultural and political analysis of contemporary rape revenge film made by women grounded in the psychological and philosophical study of the emotions *What Would Cervantes Do?* David Castillo, William Egginton, 2022-01-15

The attack on the US Capitol on 6 January 2021 was a tragic illustration of the existential threat that the viral spread of disinformation poses in the age of social media and twenty four hour news From climate change denialism to the frenzied conspiracy

theories and racist mythologies that fuel antidemocratic white nationalist movements in the United States and abroad What Would Cervantes Do is a lucid meditation on the key role the humanities must play in dissecting and combatting all forms of disinformation David Castillo and William Egginton travel back to the early modern period the first age of inflationary media in search of historically tested strategies to overcome disinformation and shed light on our post truth market Through a series of critical conversations between cultural icons of the twenty first century and those of the Spanish Golden Age What Would Cervantes Do provides a tour de force commentary on current politics and popular culture Offering a diverse range of Cervantist comparative readings of contemporary cultural texts movies television shows and infotainment alongside ideas and issues from literary and cultural texts of early modern Spain Castillo and Egginton present a new way of unpacking the logic of contemporary media What Would Cervantes Do is an urgent and timely self help manual for literary scholars and humanists of all stripes and a powerful toolkit for reality literacy
