Tips For Situational Judgment Tests:

Situational Judgement Robbie Greaves, Michael Stoddart, 2018-12-04 Situational Judgement is the definitive guide for preparing for the UK Situational Judgement Test. The book features revision tips covering all key topics as assessed at the SJT together with an overview of the process and realistic practice questions to fully prepare you. Situational Judgment is aimed at medical students preparing for the UK Situational Judgment Test. The SJT is designed to test the professional attributes expected of the Foundation Doctor. There is no syllabus as such and so revision can be daunting. Written by successful students and doctors who ranked top of their respective years and reviewed and edited by senior clinicians, the content included covers common themes and is designed to fully prepare you for the SJT. **The Dental Foundation**

Interview Guide Zahid Siddique, Shivana Anand, Helena Lewis-Greene, 2016-05-31 The Dental Foundation Interview Guide with Situational Judgement Tests offers an indispensable step by step guide to the dental foundation training application process. Explains the application and recruitment process and includes essential interview tips. Offers a wealth of practice questions with detailed answers to ensure familiarity with the process. Highlights the importance of professionalism, leadership and management within the dental practice. Written by recent graduates who understand the pressures of the application process. *The Situational Judgement Test at a Glance* Frances Varian, Lara Cartwright, 2013-02-18

The Situational Judgement Test at a Glance The at a Glance series is popular among medical students and junior doctors for its concise and simple approach and excellent illustrations. Each bite sized chapter features colour diagrams and tip boxes accompanied by explanatory text. Covering a wide range of topics, books in the at a Glance series are ideal as introductory subject texts or for revision purposes and are useful throughout medical school and beyond. Everything you need to know about The Situational Judgement Test at a Glance. The Situational Judgement Test at a Glance provides a sound introduction to the SJT and details ways you can prepare before the assessment. It includes worked case examples based on real life scenarios which have been reviewed by experienced clinicians and examiners. The book draws out key aspects of professional practice relevant to the role of a junior doctor. This is based on the nine domains as outlined by the ISFP Improving Selection to Foundation Programme who detailed the behaviours necessary to be a competent Foundation Doctor. The overall aim of The Situational Judgement Test at a Glance is not to spoon feed hundreds of practice questions or reams of guidelines but to steer you towards a logical way of approaching best medical practice and therefore the SJT with many examples of doctors' personal experiences along the way. Challenging scenarios are analysed using guidelines from the General Medical Council and research interviews with patients, lab staff and healthcare professionals. All examples in the book are worked in a test style apparatus with questions on one side and detailed answers over the page so you can understand the reasoning behind the material. **The Unofficial Guide to Getting Into Medical School - E-Book** Bogdan Chiva Giurca, 2024-02-06
