These sources include 1) the correspondence VBA sent to Leonor Tomàs Vives during his trip to the United States; 2) passages detailing some of VBA's psychic experiences during the journey; and 3) recollections of his spiritual encounters with disciples from certain ashrams of the Spiritual Hierarchy, including the Ashram of a European Master in which he is an accepted disciple, as well as the Ashram of Master Morya responsible for world affairs under the direction of the Manu. These Journey Records provide insight into the significance of this journey for VBA's future Ashramic work in Spain and South America.
