*Pilgrimage in the Footsteps of Jesus* Stephen J. Binz, 2004 Threshold Bible Study is a thematic Scripture series designed for both personal study and group discussion. The thirty lessons in each study may be used by an individual for daily study over the course of a month or they may be divided into six lessons per week providing a group study of six weekly sessions. Through the spiritual disciplines of Scripture reading, study, reflection, conversation, and prayer, readers will cross the threshold to a more abundant dwelling with God. Ideal for Bible study groups, small Christian communities, parish leadership teams, adult faith formation, student Scripture study groups, RCIA teams, and individual learning. About Pilgrimage in the Footsteps of Jesus: Because Jesus entered our world in the human condition, our faith has deep roots in the physical places where he was born, walked, and talked; laughed and wept where he suffered, died, and rose again. Though a bodily pilgrimage unites these hallowed places with the sacred texts associated with the life of Jesus, this geography of salvation can fill out the written gospels with tangible reality. Here we can imagine Jesus with his disciples along the lake, teaching on the mountainside, praying in the garden, and dying on the cross.

Ideal for Bible study groups, small Christian communities, parish leadership teams, adult faith formation, student Scripture study groups, RCIA teams, catechumens, and candidates; catechists and teachers. The people who walked in darkness have seen a great light (Is 9:2). Advent is a time for new understanding for putting different pieces of God's revelation together so as to see the divine plan more clearly. We listen to the words of the ancient prophets, to the wisdom of Jesus, to the stories of his birth and infancy, and we make connections. Then we connect those truths to our own lives and our world and see how God is acting anew how God continues to reveal the coming of Jesus today. Our best model for this Advent search for understanding is Mary of Nazareth. By making connections between the ancient and the new, between her people Israel and her own life, Mary grew in understanding of God's plan and responded to God's will with her acceptance. Let it be with me according to your word (Lk 1:38).
