*A Thumb-Nail History of the City of Houston, Texas, From Its Founding in 1836 to the Year 1912 (Classic Reprint)*

Samuel Oliver Young, 2015-07-08 Excerpt from A Thumb Nail History of the City of Houston Texas From Its Founding in 1836 to the Year 1912 In presenting this little volume to the people of Houston for their consideration I feel that a word of explanation is due I wrote the book to supply a badly needed need of course but I wrote it more for my own pleasure than for anything else I have made no attempt at fine writing and have given no thought to literary excellence My sole object has been to attain accuracy and every precaution has been taken to guard against error Where ever possible I have consulted original documents and newspapers Yet in spite of this I fear that some errors have crept in and that the readers will find many statements which they may think erroneous I say this because there are some stories and traditions that have been repeated so often that many suppose them to be true If the readers derive as much pleasure from perusing these pages as I have from writing them I shall feel content I have enjoyed writing every line and add The End with regret About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
