O'Brien**

Tim Wise White Like Me:

White Like Me Tim Wise, 2011-09-13 THE MODERN ANTI RACIST CLASSIC A brilliant and personal deconstruction of institutionalized white supremacy in the United States a beautifully written heartfelt memoir Roxanne Dunbar Ortiz One of the most brilliant articulate and courageous critics of white privilege in the nation Michael Eric Dyson author of Tears We Cannot Stop The inspiration for the acclaimed documentary film this deeply personal polemic reveals how racial privilege shapes the daily lives of white Americans in every realm employment education housing criminal justice and elsewhere Using stories from his own life Tim Wise examines what it really means to be white in a nation created to benefit people who are white like him This inherent racism is not only real but disproportionately burdens people of color and makes progressive social change less likely to occur Explaining in clear and convincing language why it is in everyone's best interest to fight racial inequality Wise offers ways in which white people can challenge these unjust privileges resist white supremacy and racism and ultimately help to ensure the country's personal and collective well being [White Like Me](#) Tim Wise, Kevin Myers, 2010-10-29 Flipping John Howard Griffin's classic *Black Like Me* and extending Noel Ignatiev's *How The Irish Became White* into the present day Wise explores the meanings and consequences of whiteness and discusses the ways in which racial privilege can harm not just people of color but also whites Using stories instead of stale statistics Wise weaves a narrative that is at once readable and yet scholarly analytical and yet accessible *Speaking Treason Fluently* Tim Wise, 2008-09-01 In this highly anticipated follow up to *White Like Me* *Reflections on Race from a Privileged Son* activist Tim Wise examines the way in which institutional racism continues to shape the contours of daily life in the United States and the ways in which white Americans reap enormous privileges from it The essays included in this collection span the last ten years of Wise's writing and cover all the hottest racial topics of the past decade affirmative action Hurricane Katrina racial tension in the wake of the Duke lacrosse scandal white school shootings racial profiling phony racial unity in the wake of 9/11 and the political rise of Barack Obama Wise's commentaries make forceful yet accessible arguments that serve to counter both white denial and complacency two of the main obstacles to creating a more racially equitable and just society *Speaking Treason Fluently* is a superbly crafted collection of Wise's best work which reveals the ongoing salience of race in America today and demonstrates that racial privilege is not only a real and persistent problem but one that ultimately threatens the health and well being of the entire society **Dispatches from the Race War** Tim Wise, 2020-12-01 Essays on racial flashpoints white denial violence and the manipulation of fear in America today Drawing on events from the killing of Trayvon Martin to the Black Lives Matter protests last summer Wise calls to account his fellow white citizens and exhorts them to combat racist power structures The New York Times What Tim Wise has brilliantly done is to challenge white folks truth to see that they have a responsibility to do more than sit back and watch but to recognize their own role in co-creating a fair inclusive truly democratic society Michelle Alexander author of *The New Jim Crow* Tim Wise's new book gives us the tools we

need to reach people whose understanding of our country is white instead of right And without pissing them off James W Loewen author *Lies My Teacher Told Me* Tim Wise s latest is more urgent than ever Heather Ann Thompson Pulitzer Prize winning author of *Blood in the Water The Attica Prison Uprising of 1971 and its Legacy* A white social justice advocate clearly shows how racism is America s core crisis A trenchant assessment of our nation s ills Kirkus Reviews Starred Review *Dispatches from the Race War* is a bracing call to action in a moment of social unrest Publishers Weekly *Dispatches from the Race War* exhorts white Americans to join the struggle for a fairer society Chapter 16 In this collection of essays renowned social justice advocate Tim Wise confronts racism in contemporary America Seen through the lens of major flashpoints during the Obama and Trump years *Dispatches from the Race War* faces the consequences of white supremacy in all its forms This includes a discussion of the bigoted undertones of the Tea Party s backlash the killing of Trayvon Martin current day anti immigrant hysteria the rise of openly avowed white nationalism the violent policing of African Americans and more Wise devotes a substantial portion of the book to explore the racial ramifications of COVID 19 and the widespread protests which followed the police murder of George Floyd Concise accessible chapters most written in first person offer an excellent source for those engaged in the anti racism struggle Tim Wise s proactive approach asks white allies to contend with and take responsibility for their own role in perpetuating racism against Blacks and people of color *Dispatches from the Race War* reminds us that the story of our country is the history of racial conflict and that our future may depend on how or if we can resolve it To accept racism is quintessentially American writes Wise to rebel against it is human Be human

White Allies in the Struggle for Racial Justice Boyd Drick ,2015-10-23 *White Like Me* Tim Wise,2008 Using stories from his own life anti racist activist and Fortune 500 racial awareness trainer Tim Wise demonstrates the ways in which racism not only burdens people of colour but also hurts in relative terms those who are white like him Flipping John Howard Griffin s classic *Black Like Me* Wise explores the meanings and consequences of whiteness and discusses the ways in which racial privilege can harm not just people of colour but whites as well Using stories in place of stale statistics he weaves a narrative that is readable scholarly analytical and accessible

Dear White America Tim Wise,2012-01-10 White Americans have long been comfortable in the assumption that they are the cultural norm Now that notion is being challenged as white people wrestle with what it means to be part of a fast changing truly multicultural nation Facing chronic economic insecurity a popular culture that reflects the nation s diverse cultural reality a future in which they will no longer constitute the majority of the population and with a black president in the White House whites are growing anxious This anxiety has helped to create the Tea Party movement with its call to take our country back By means of a racialized nostalgia for a mythological past the Right is enlisting fearful whites into its campaign for reactionary social and economic policies In urgent response Tim Wise has penned his most pointed and provocative work to date Employing the form of direct personal address he points a finger at whites race based self delusion explaining how such an agenda will only do harm to the nation s people including most

whites In no uncertain terms he argues that the hope for survival of American democracy lies in the embrace of our multicultural past present and future Sparing neither family nor self he considers how the deck has always been stacked in his and other white people s favor His candor is invigorating Publishers Weekly One of the most brilliant articulate and courageous critics of white privilege in the nation Michael Eric Dyson Tim Wise has written another blockbuster Dear White America is a cogent analysis of the problems of race and inequality as well as a plea for those who harbor views about race and racism to modify and indeed eliminate them While the book s title addresses white people this is really a book for anyone who is concerned about eliminating the issue of racial disparity in our society This is must read and a good read Charles J Oglethorpe Jr the Jesse Climenko Professor of Law at Harvard Law School and the Executive Director of the Charles Hamilton Houston Institute for Race and Justice Tim Wise is an American hero in the truest sense of the term he tells the truth no matter how inconvenient that truth might be Dear White America is a desperately needed response to the insidious mythology that pretends whites are oppressed and people of color unduly privileged David Sirota syndicated columnist radio host author of Back to Our Future How the 1980s Explain the World We Live In Now

Becoming a Christian in Christendom Jason A. Mahn, 2016-11-01 How might one live the Christian faith within a culture that idealizes and privileges Christianity while also relativizing it rendering it redundant and innocuous Arguing for a reconceptualization of the theology of the cross and radical communal practices this book brings together two clusters of critics of Christian acculturation and accommodation 1 Lutherans such as Kierkegaard and Bonhoeffer who lift up radical discipleship against the propensity toward cheap grace and 2 various Anti Constantinians including neo monastic communities who resist the church s collusion with power politics symbolized by the conversion of Constantine in the early fourth century Drawing on these diverse resources author Jason Mahn explores some pervasive dangers of America s new Christendom its accommodation to an exploitative economy that cheapens the meaning of grace its endorsement of political liberalism within which the church becomes another special interest group its justification of war and other forms of necessary violence and its self defeating lip service to religious inclusivity Mahn provocatively imagines alternatives to conventional Christianity ones whereby the church embodies an alternative politic where it commits to cruciform non violence appreciates gifts by giving them away and knows its boundaries well enough to learn from those on the other side

The State of the American Mind: Stupor and Pathetic Docility Amechi Okolo PhD, 2010-06-10 This book The State of the American Mind Stupor and Pathetic Docility Volume One begins to unravel some of the most obvious perplexing embarrassing and enduring problems and contradictions of American history and sociology viz how could the American revolution that started with the most ringing and most inspiring Declarations of human equality in world history end up establishing the most vicious exploitative society the world ever knew Black chattel slavery and only ten percent white enfranchisement etc Further how could men of such great wisdom and intellect like George Washington James Madison Thomas Jefferson and others who were Enlightenment scholars

and clearly knew that slavery was despicable and evil because they had variously experienced white servitude and slavery themselves collude to establish and institutionalize the horrible system of Negro chattel slavery in America and also disenfranchised over 90 percent of people of their own race actions that racism could not explain The structural institutional slavery system they established and the resultant consequent racism hobbles America today as it did in the past and forced Eric Holder the Attorney General to declare that America is a nation of cowards when it comes to race discussions Thus this book starts with serious critical discussions of race in America and reveals what no textbook has ever done viz that most early American whites and Blacks were slaves an uncomfortable fact that would shock most Americans because it contradicts the orthodoxy or the dominant narrative that only Blacks were brought here in chains Further the book also shows the year Black slavery started something almost all textbooks got wrong It also shows who was the first Black slave in America something no textbook ever mentions It also shows when and how racism started in America and many other very sensitive and embarrassing but necessary issues that America avoids but must be frankly discussed for America to move forward This book therefore shatters the two dominant themes of Americas history and sociology that Blacks were brought into America in chains as slaves while whites came to America in search of freedom as Obama famously told us in his race speech Thus the crowning lesson of this book in addition to discussing some critical policy issues like education health care etc is that it discovers the centripetal force of the American society that eluded contemporary Americans because American bosses have laboriously concealed the facts from the public the scary but clearly healthy uniting fact that most Americans are united by their common ancestry their universal history and experience of servitude bond indentures and slavery Nothing is more universal more common and more shared in American history and sociology than the fact that most of our ancestors black and white were servants bond indentures and slaves who were dominated and super exploited by few overlords Colonial America was the preferred dumping ground for British outcasts rejects criminals masterless class vagabonds bond indentures slaves etc until 1776 when Australia replaced America as the British dump for its rejects and surplus citizens Thus that America was a nation founded by British rejects and losers is inherently more rational than the prevailing orthodoxy or the Obama theory of Americas founders that they were great honorable men who journeyed across the ocean for freedom because of the obvious reason that good powerful achieving citizens do not normally emigrate to new uncharted lands

Understanding and Dismantling Racism Joseph R. Barndt, More than 15 years have passed since Joe Barndt wrote his influential and widely acclaimed Dismantling Racism 1991 Augsburg Books He has now written a replacement volume powerful personal and practical that reframes the whole issue for the new context of the twenty first century With great clarity Barndt traces the history of racism especially in white America revealing its various personal institutional and cultural forms Without demonizing anyone or any race he offers specific positive ways in which people in all walks including churches can work to bring racism to an end He includes the newest data on continuing conditions of People of Color including their

progress relative to the minimal standards of equality in housing income and wealth education and health He discusses current dimensions of race as they appear in controversies over 9 11 New Orleans and undocumented workers Includes analytical charts definitions bibliography and exercises for readers Pope Francis and the Future of Catholicism Gerard Mannion,2017-04-24 Pope Francis and the Future of Catholicism is the first and most in depth study of the most important teaching document from Pope Francis to date Evangelii Gaudium It explores the key components of his vision and agenda for the church ecclesiological social and dialogical drawing together a range of globally and disciplinary diverse voices from leading experts in the field Contributions explore Francis distinctive style of papacy as well as the substance of his ecclesial revolution and reforms Chapters engage with the most pressing challenges for the church in today s world and Francis debt to key influences from John XXIII and Vatican II to Liberation Theology The global context and contributions to the dialogue of this papacy are assessed and discussed in depth The scope of the book will appeal to those interested in the Catholic Church in both contemporary and historical contexts and to those seeking to understand where the church is going today

Getting Real About Race Stephanie M. McClure,Cherise A. Harris,2021-11-15 Getting Real About Race is an edited collection of short essays that address the most common stereotypes and misconceptions about race held by students and by many in the United States in general Key Features Each essay concludes with suggested sources including videos websites books and or articles that instructors can choose to assign as additional readings on a topic Essays also end with questions for discussion that allow students to move from the what knowledge to the so what implications of race in their own lives In this spirit the authors include suggested Reaching Across the Color Line activities at the end of each essay allowing students to apply their new knowledge on the topic in a unique or creative way Current topics students want to discuss are brought up through the text making it easier for the instructor to deal with these topics in an open classroom environment **Race, Ethnicity, Gender, and Class** Joseph F. Healey,Andi Stepnick,Eileen O'Brien,2018-02-13 Known for its clear and engaging writing the bestselling Race Ethnicity Gender and Class by Joseph F Healey Andi Stepnick and Eileen O Brien has been thoroughly updated to make it fresher more relevant and more accessible to undergraduates The Eighth Edition retains the same use of sociological theory to tell the story of race and other socially constructed inequalities in the U S and for examining the variety of experiences within each minority group particularly differences between those of men and women This edition also puts greater emphasis on intersectionality gender and sexual orientation that will offer students a deeper understanding of diversity New to this Edition New co author Andi Stepnick adds fresh perspectives to the book from her teaching and research on race gender social movements and popular culture New coverage of intersectionality gender and sexual orientation offer students a deeper understanding of diversity in the U S The text has been thoroughly updated from hundreds of new sources to reflect the latest research current events and changes in U S society 80 new and updated graphs tables maps and graphics draw on a wide range of sources including the U S Census Gallup and Pew 35 new internet

activities provide opportunities for students to apply concepts by exploring oral history archives art exhibits video clips and other online sites

Getting Off Robert Jensen, 2007 Does porn make the man *Emmy*, 2005 **Under the Affluence** Tim Wise, 2015-09-21 Tim Wise is one of the great public moralists in America today In his bracing new book Under the Affluence he brilliantly engages the roots and ramifications of radical inequality in our nation carefully detailing the heartless war against the poor and the swooning addiction to the rich that exposes the moral sickness at the heart of our culture Wise's stirring analysis of our predicament is more than a disinterested social scientific treatise this book is a valiant call to arms against the vicious practices that undermine the best of the American ideals we claim to cherish Under the Affluence is vintage Tim Wise smart sophisticated conscientious and righteously indignant at the betrayal of millions of citizens upon whose backs the American Dream rests This searing testimony for the most vulnerable in our nation is also a courageous cry for justice that we must all heed Michael Eric Dyson author of The Black Presidency Barack Obama and the Politics of Race in America Tim Wise is one of America's most prolific public intellectuals His critically acclaimed books high profile media interviews and year round speaking schedule have established him as an invaluable voice in any discussion on issues of race and multicultural democracy In Under the Affluence Wise discusses a related issue economic inequality and the demonization of those in need He reminds us that there was a time when the hardship of fellow Americans stirred feelings of sympathy solidarity for struggling families and support for policies and programs meant to alleviate poverty Today however mainstream discourse blames people with low income for their own situation and the notion of an intractable culture of poverty has pushed our country in an especially ugly direction Tim Wise argues that far from any culture of poverty it is the culture of predatory affluence that deserves the blame for America's simmering economic and social crises He documents the increasing contempt for the nation's poor and reveals the forces at work to create and perpetuate it With clarity passion and eloquence he demonstrates how America's myth of personal entitlement based on merit is inextricably linked to pernicious racial bigotry and he points the way to greater compassion fairness and economic justice Tim Wise is the author of many books including Dear White America and Colorblind The Future of Law, Religion, and the Family, 2008 Witnessing Whiteness Shelly Tochluk, 2008 Witnessing Whiteness invites educators to consider what it means to be white describes and critiques strategies used to avoid race issues and identifies the detrimental effect of avoiding race on cross race collaborations The author illustrates how racial discomfort leads white educators toward ineffective teaching pedagogy and poor relationships with students and colleagues of color Questioning the implications our history has for educational institutions school reform efforts and diversity initiatives this book considers political economic socio cultural and legal histories that shaped the meanings associated with whiteness Drawing on dialogue with well known figures within education race and multicultural work the book offers intimate personal stories of cross race friendships that address both how a deep understanding of whiteness supports cross race collaboration and the long term nature of the work of excising racism from

the deep psyche Concluding chapters offer practical information on building knowledge skills capacities and communities that support anti racism practices a hopeful look at our collective future and a discussion of how to create a culture of witnessing educators who support allies for social and racial justice The Cost of Privilege Chip Smith,Michelle Foy,2007

The Cost of Privilege takes readers from the creation of the white race over three centuries ago to the present day myth of a colorblind society from the intersections of class gender and race to the concrete advantages and harsh underside of the privileges white people experience every day from the victories when people rallied across the color line to the failures of some of those alliances to hold from personal transformations to international struggles *The Quotable Rebel* Teishan Latner,2005 The definitive book of quotations presenting radical voices for change
