an informa company      Past Trauma in Late Life Linda Hunt, Mary Marshall, Cherry Rowlings, 1997 In the professional and practice literature on working with older people little attention has been given to the potential impact of trauma experienced in childhood and early adult life This book looks at the effect of trauma on behaviour which is often mistakenly viewed as part of the pathology of old age The contributors pay particular attention to the impact of the Holocaust and of the war experience of civilians and combatants as well as individual trauma The authors call for sensitivity on the part of professionals and carers to the possibility of early trauma as a causal factor in distress in older people The book encourages all those providing services to prepare themselves and their clients for a journey through what is often painful territory the material contained in this volume will help both specialist and non specialist practitioners to map a more certain course towards a coherent approach to therapeutic intervention and the care and support of many people still suffering from the consequences of earlier traumatic experiences      *Lady of the Rings* Wim Roskam, 2017-11-26 *Lady of the Rings* is a 100% true story that reads like a thriller People who read it were deeply moved couldn't put it down This book will haunt you it will make you wonder it will make you angry and it will make you cry After Linda got a diagnosis of cervical cancer in 1999 she and Wim decided to follow a road no one understood Indeed that road was hard Seemingly it was the worst road they could ever have chosen but it was a choice made by the heart and in the rear view mirror their choice was the right one This is the story of Linda who was very popular among her students but in 1985 was struck by lightning whilst driving her car Igor a man from the 16th century who was sent to battle while his wife was pregnant and who finally ended up in the last days of the 20th century like a time traveller looking for his love Nasja Incredible and yet this is a true story Ama a cheerful woman from the Spirit World who suggests that Linda builds a wall of Light around her home Marianne who just started as a therapist when she gets a phone call from a very ill patient who has refused all regular health care Wim who during a beautiful nightly encounter is briefly projected into the spirit realm an experience that changes his life in a totally unforeseen direction A special Ring inspired by Linda who also inspires Wim to find five other rings and one secret unseen ring that in love unites them all The Akaija Linda's gift to mankind a tool that is already in use by thousands of people a tool that is surprising scientists and symbolizing We are One a universal and timeless concept Above all this is a love story beyond the boundaries of life Eliza White Buffalo author of the Two Roads books writes Written with authenticity the story is very real with real passion and acceptance pain and understanding of pain The message is clear choice is a god given gift You have free will to choose for yourself and no matter what choices you make acceptance softens the road and allows you to trust others too I believe Linda taught us to allow others to be who they are She is still teaching us this and also to trust in others gifts but not to the price of your own integrity because being you is the greatest gift you have staying true to you to your own unique path will guide your choices no matter how intense they may seem Ultimately that will be your greatest success      Lime's Photograph Leif Davidsen, 2011-05-31 Peter Lime is trained to hunt down his prey and catch them on film But now he is the one being hunted

Whose prey has he become And what is it that he has that these people will kill to get Lime is a Danish paparazzo living in Madrid For more than 20 years he has stalked and captured the rich and famous on film making vast sums of money from exposing their secrets the more salacious the image the bigger the fee But lately he s been thinking of giving it up His wife and child have changed his life and now he dreams of doing a job that his daughter can be proud of Then he goes on a routine assignment snapping a Spanish minister out sailing with his mistress and suddenly his world is turned upside down When a fire destroys his home but not all of his photographs Lime sets out to discover a motive and finds himself drawn into the complex and terrifying web of international terrorism
