Timothy Turns off the Light Virginia E. Pollard,2015-07-30 I wrote this story to remind every reader child or adult of the hope and comfort in Gods promise to be by our side in every situation we face in life including death He has promised to give us a perfect body when we get to heaven a body that will never experience sickness pain fear or loneliness and best of all will never die

Into The Night & The Glass Demon Jerry J.C. Veit,2022-12-22 INTO THE NIGHT They will never stop hunting you In the autumn of 1325 an army of barbarians invade the south western region of England A drifter named Samuel and a strong willed woman named Valencia journey north to Ashborough to seek the aid of the steward s army While on their mission they realize the barbarians aren t their only threat Two vampire matriarchs and their vampire horde stalk them relentlessly They find themselves in the midst of two wars as they fight northward on what seems to be a Sisyphean task THE GLASS DEMON There is much unrest here William Corgel is a clairvoyant medium who is hubris doubts his faith and a heavy drinker who finds comfort in pills Believing there is nothing he can t handle he soon finds himself in a home with a demonic presence and the possession of a teenage girl The demon continually taunts and attacks him while claiming to know William s suppressed childhood memory centered on his mother THE FORM A Poem A man is visited by a featureless form that makes him dream

Timothy's Vision Kenneth Trimble,2012-02-01 Timothy can see a light that other s cannot It is a gift that few possess Along with his friends he discover s that it comes with certain powers that are a threat to some and coveted by others When darkness becomes too strong and the balance between light and darkness is threatened he and his friends find themselves in the center of an age old conflict between good and evil A battle must be fought a battle of epic proportion Within it the continuation of existence as the world knows it will be decided and the fates of all will be determined by the actions of a few gifted individuals
