Time My Life Denis Healey:

Denis Healey - the Time of My Life Denis Healey, 1994-08-01 The Time of My Life Denis Healey, 1990 *The Johnson Years: LBJ at home and abroad* Robert A. Divine, 1987 Hot War, Cold War Colin McInnes, 1996 This is an examination of the way in which the British Army has fought its wars since 1945 and of the Army's place in defence policy. It covers a variety of conflicts in which the Army has been used from Korea and Kuwait to Northern Ireland **After Number 10** Kevin Theakston, 2010-05-07 Having lost an election been thrown out by their party or retired on grounds of ill health what do former British prime ministers do? In the first book to look at the lives, political roles and influence of former prime ministers Kevin Theakston offers a comprehensive analysis of all the former prime ministers from Robert Walpole in the 18th century to Tony Blair today. This lively and informative book will appeal to those interested in British history as well as in contemporary politics. You are very ex as an ex prime minister it has been said. The telephone goes and immediately you think Oh goodness me the United Nations is sitting. Margaret Thatcher admitted. Then you realize that it's no longer you any more. Some former prime ministers fade into the background but others have continued to play a significant role in politics sometimes constructively but sometimes quite the reverse. Some enhance their reputations after they leave Number 10 but others damaged their reputations badly. This book sheds new light on the people who have held the highest office in British government SAS Operations James D. Ladd, 1986 *The Socialist Register* Ralph Miliband, 1991 *The Army Quarterly and Defence Journal*, 1990 Old Labour to New Greg Rosen, 2005 Keir Hardie Aneurin Bevan Michael Foot Neil Kinnock John Smith The roll call of Labour's great orators goes on and on. Their words illuminate the story of the Party its triumphs and its battles. In *I'm Telling You* and *You'll Listen* Greg Rosen gathers together the greatest speeches from over one hundred years of Labour Party history and places each in context to form a unique history of the Party. Among these historic speeches are Keir Hardie's speech to the Independent Labour Party's first conference in 1893. The demand of the Labour Party is economic freedom. Bevan's 1948 attack on the Tory party so far as I am concerned they are lower than vermin. Harold Wilson's 1964 election address. The Labour Party is a moral crusade or it is nothing. Neil Kinnock's 1985 speech to the party conference and many more **In the Cause of Labour** Rob Sewell, 2003 **Colonialism and the Hong Kong Mentality** David Faure, 2003 **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, 1991 Safety First Paul Anderson, Nyta Mann, 1997 This is a collective portrait of the people who have formed a new regime for Britain in the Spring of 1997. The Labour Party under Tony Blair is electable and professional. It is single minded in the pursuit of power which has eluded the British centre left for a generation. The party has purged itself of anything that makes Middle England uneasy. It avoids even the rhetoric of the historic Labour Party and is unsentimental about the sacred cows of Labour tradition: nationalization, support for trade unions and a belief in redistribution. New Labour is a smiling teflon party and its hour has come **The Best Books for Academic Libraries: World history**, 2002 Books

recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers **The Contemporary Review**, 1989 **Life at Full Throttle** John Treacher, 2004 By any standards Admiral Sir John Treacher is an exceptional man who has had the fullest of lives Old enough to have served and be sunk in the War he went to be a naval aviator flying in the Korean War His career took off too and he rose rapidly to be the captain of the aircraft carrier HMS Eagle and soon after Commander in Chief Channel To everyone's surprise he left the Navy when all the indications were that he was about to become First Sea Lord For many this would have meant a quiet retirement Not so here A number of influential appointments quickly followed including controversially Chairmanship of Playboy Club UK at a critical time for their vital gaming interests He was deeply embroiled in the highly political Westland drama which resulted in the resignation of Cabinet ministers Today as he approaches 80 he is still an active and influential figure in the aeronautical industry

Dictionary of Labour Biography Greg Rosen, 2001 A unique source of reference the Dictionary of Labour Biography brings together biographies of more than 300 individuals who have made significant contributions to the history of the Labour Party or the development of socialism in Britain **Power, Competition and the State** Keith Middlemas, 1986 The author looks at parties trade unions industry and finance in Britain since 1974 The previous volumes are Britain in Search of Balance 1940-61 and Threats to the Postwar Settlement 1961-74 **The History of the Times**, 1993 **Dod's Parliamentary Companion** Charles Roger Dod, Robert Phipps Dod, 1998
